

Jiffy™ one
SINGLE-USE POLISHERS

JIFFY™ ONE, NOW YOU'RE DONE:

SINGLE-USE POLISHERS

DISPOSABLE
POLISHERS FOR
COMPOSITE
MATERIAL

For a one-step polish, start with medium. Need more luster? Use the fine.

Maximum two-step system for quick and easy polishing. The Jiffy One single-use polishing system delivers a beautiful, natural shine while saving you time.

Key Benefits:

- No need to re-process the polishers
- Get the luster you and your patients expect with our specially formulated diamond grit
- No chance of cross-contamination
- No need to worry about accidentally throwing out multi-use polishers

Simple, Straightforward, and Safe
