# SFDR Classification Disclosure

March 2021

## Classifications fund and mandates

Dynamic Credit's mission is to create a better match between savings and credit for a more sustainable and prosperous society. This mission is integrated in several layers of how we conduct ourselves as a company.

Dynamic Credit is committed to responsible investments, and to show this we have published a responsible investment policy, to ensure that our activities as a direct lender and asset manager are in line with this mission.

As of March 10, 2021, it is required by the Sustainable Finance Disclosure Regulation (SFDR) to classify each fund in a sustainability category (Article 6, 8 or 9). As there are still uncertainties as to when a fund classifies as 'promoting' sustainability, Dynamic Credit has opted to classify its funds as Article 6.

Fund	Classification
Diversified Loan Fund (DLF)	Article 6
Defensive Strategy Fund (DSF)	Article 6
