

ALLERGEN INFORMATION

This information does not identify all ingredients and may use generalized terms that may not adequately inform a person of the presence of all food substances that may produce an allergic reaction in some individuals. Therefore, persons who are allergic to certain food substances are warned not to rely upon this allergen guide as a medical guide for allergens. Products containing allergens (e.g., peanuts, fish, eggs, milk, soy, wheat, tree nuts, shellfish, sesame, etc.) are used in the restaurants and may come in contact with other foods and drinks. Fried foods may be exposed to gluten and allergens. Because all products may have come in contact with a trace amount of animal-derived ingredients, no menu items have been certified as vegetarian. Allergen information was current at the time of publication but may change without notice when product formulations, ingredients or suppliers change.

*Certain SONIC® fresh bread products may have different ingredients because SONIC® Drive-Ins purchase from local bakeries whose ingredients and allergens may vary. Ingredients in the following bread products include wheat, milk or egg in any combination and other allergens: hamburger buns, wheat buns, hot dog buns and Texas Toast. ¹WARNING: Fried foods may be exposed to gluten and allergens. Fryer oil may come in contact with items containing milk, egg, fish, shellfish, soy, wheat and gluten because fried items are not always fried in designated stations. ²Blended/Mixed drinks and frozen desserts may come in contact with milk, egg, soy, wheat, gluten, peanuts and tree nuts. ³Bun oil is added in toasting or cooking hamburger buns, wheat buns, Texas Toast, eggs, grilled onions and grilled peppers. All grilled items may come in contact with bun oil. ⁴Products with a triangle represent optional items that may NOT be available in all locations. ⁵Zero-sugar flavors are artificially sweetened.
