This nutrition information is from an independent lab, combined with representative values from the USDA and SONIC® food suppliers. This information is based upon standard product formulations, averages or both. Differences may occur as a result of multiple suppliers, variation in preparation in individual restaurants, natural variation in ingredients and other factors. The data displayed follows federal regulations regarding rounding nutritional data and may vary slightly from actual analysis. Some menu items may not be included in this data, such as regional items, test items and limited-time offers.

This information does not identify all ingredients and may use generalized terms that may not adequately inform a person of the presence of all food substances that may produce an allergic reaction in some individuals. Therefore, persons who are allergic to certain food substances are warned not to rely upon this nutrition guide as a medical guide for allergens. Products containing allergens (e.g., peanuts, fish, eggs, milk, soy, wheat, tree nuts, shellfish, sesame) are used in this restaurant and may come in contact with your food or drink. Because all products may have come in contact with a trace amount of animal-derived ingredients, no menu items have been certified as vegetarian. Nutrition information was current at the time of publication but may change without notice when product formulations, ingredients or suppliers change.

SONIC® will make reasonable efforts to update this nutrition information, but delays may occur before changes are made. Visit sonicdrivein.com for a more comprehensive list of products and ingredients and to obtain the most current nutrition information.
