

What Is My Child Learning?

Your child is learning the Ways to Stay Safe and eight safety rules called the Never-Never Rules. Your child is also learning adults can help keep him or her safe.

Why Is It Important?

Using the Ways to Stay Safe and the Never-Never Rules helps your child decide if a situation is unsafe. Students also need to know how to refuse to break a safety rule and report to an adult.

Ask your child: What are the Ways to Stay Safe?

Read Together

It is the job of adults to take care of you and keep you safe. Keep yourself safe by using the Ways to Stay Safe—Recognize: Is it safe? What’s the rule? Report: Tell an adult. Refuse: Say words that mean no.

You can also stay safe by following the Never-Never Rules:

- Never ride on wheels without wearing a helmet.
- Never cross the street without checking all ways for traffic.
- Never play with fire.
- Never touch a dog without asking the person in charge.
- Never use a sharp tool without an older person’s help.
- Never touch guns.
- Never ride in a car without wearing a seatbelt.
- Never go in water without an older person watching.

Practice Together: Using the Ways to Stay Safe

1. With your child, identify three unsafe situations that could happen at home.
2. For each, decide what you should do to stay safe.

Unsafe Situation	What Your Child Should Do	What You Should Do
