

## Sanitizer Handgel 500 ml

Size: 115 x 110 mm

### Format size to be submitted (121 x 116 mm)

Finished size + 3 mm cutting margin (bleed)

It is advised to let the background and all of the images run through to this edge. This ensures that your printing can be cut neatly and this prevents a white edge around your print.

### Finished size (115 x 110 mm)

Your printing will be cut on these dimensions.  
This format will be the final size.

### Safe zone (3 mm)

Please make sure you keep your important images and text 3 mm clear of the cutting edges. This prevents a possible cut in the important parts, or that the images are so close to the edge that it results in a sloppy design.

**NOTE:** The 25 mm on the right side is reserved for the general information that is printed on the label of the sanitizer.
