

Template Sneaker Shoe

Reference foot model : EUR 41

Use this file in a separate layer in your design program. Do not forget to make our work template "invisible" or delete it when saving the final PDF, or the JPG with high resolution.

Size of the printing area: (218 x 67 mm)

This is the print size. This format will be adapted according to the shoe model, from EUR 35 to EUR 45. The printing area is the outer side area of each shoe.
