

Format to be submitted (89,6 x 57,8 mm)

Finished size (85,6 x 53,8 mm)

Safe zone (2 mm)

The diagram shows a rectangular placeholder for a hotstamp signpanel. It features three nested rectangular boundaries: an outer orange rounded rectangle representing the submitted format, a middle orange rounded rectangle representing the finished size, and an inner pink dashed rounded rectangle representing the safe zone. Arrows point from text labels to each of these boundaries on the left side.
