

460 mm

A technical drawing of a rectangular object. The drawing shows a large outer rectangle and a smaller inner rectangle. The inner rectangle is positioned such that its top edge is 460 mm from the left edge of the outer rectangle and 600 mm from the bottom edge of the outer rectangle. The bottom edge of the inner rectangle is 400 mm from the left edge of the outer rectangle. The right edge of the inner rectangle is 660 mm from the bottom edge of the outer rectangle. The drawing uses black lines for the outer rectangle and gray lines for the inner rectangle. Dimension lines with arrows indicate the measurements.
