This business is committed to the health and well-being of our employees, our community and our customers and to taking the following actions to help slow the spread of COVID-19.

WE PLEDGE TO:

Have a COVID-19 plan and ensure all staff are properly trained.

Follow CDC standards for cleaning and sanitation.

Regularly wash our hands and have hand sanitizer at high-traffic areas.

GUESTS PLEDGE TO:

Stay home and get tested when we are sick.

Follow social distancing and capacity guidelines.

Utilize PPE to protect each other and those we serve.

Stay home if you are sick or have been in contact with a sick person.

Follow social distancing guidelines and maintain a 6-foot distance from others.

Limit direct contact with staff and other guests.

Wear a mask.

Wash your hands often with soap and water for at least 20 seconds.

Use contactless payment if possible.
