**Report to the Community**  
2018/2019

The Ordway's 2018-2019 Season took us on a voyage around the world without having to leave the comfort of our theater seats. From the beaches of Greece in *Mamma Mia!* to Ireland by way of Cherish the Ladies, Scotland thanks to the Red Hot Chilli Pipers, China care of Golden Dragon Acrobats, and even the North Pole in *Elf The Musical*, we were all treated to a global celebration.

And thousands of schoolchildren from around Minnesota and Wisconsin were also transported to faraway places thanks to student matinee field trips. With ticket prices starting at \$4 per student and bus reimbursement for all schools, the Ordway continues to be one of the most affordable field trip venues in the region. The study guides created for each School Performance and designed in accordance with Minnesota State Arts Standards allow teachers and students to extend the impact of the experience into their classrooms.

It is because of your generous support through ticket sales and donations that the Ordway is able to continue to produce and present a wide array of entertaining and educational programming. You are key to the magic that audiences of all ages experience when they attend Ordway events and performances. Thank you!

We look forward to sharing even more fantastic and imaginative productions with you in future seasons.

Sincerely,

A handwritten signature in black ink that reads "Bill Parker".

# Dolly Parton's *Smoky Mountain Christmas Carol*

In November 2018, Dolly Parton herself stopped by the Ordway to share a sneak peek of her newest musical-in-the-making—*Dolly Parton's Smoky Mountain Christmas Carol*. Featuring an all-new original score by Dolly, a cast of nine Twin Cities-based artists, and a live acoustic band, the concert-style presentation allowed audiences a first look at the Smoky Mountain spin on the Charles Dickens holiday classic.

# Ordway Cabaret

The Ordway Cabaret series debuted during the 2018-2019 Season. Created to provide a space for Twin Cities-based performers to celebrate and critique the musical theater genre, Ordway Cabaret also highlights the personal stories of those same artists.

**“Please keep doing these! This is so important and I have no doubt that this will change the community in so many amazing ways.”**

**“This was bold, it was inventive, it was necessary, and I absolutely loved it. Thank you, thank you, thank you.”**

# Mamma Mia!

The Broadway at the Ordway 2018-2019 Season kicked off with *Mamma Mia!* The Ordway Original production was the first Twin Cities-produced version of the Broadway smash, which meant there was ample opportunity to celebrate the enormous breadth of artistic talent right here in Minnesota.

# Ordway 2019 Spring Fête

## COME ON ALONG AND LISTEN TO THE LULLABY OF BROADWAY

The 2019 Spring Fête transformed the Ordway to salute the glamour of New York City in the 1930s, inspired by the Ordway Original Production of 42nd Street.

The evening celebrated Fête Honorary Chairs Bill and Susan Sands for their extraordinary contributions to the social and cultural well-being of our community, and for their commitment through generous investments of time, wisdom, and contributions to countless organizations.

And proceeds of over \$560,000 supported the Ordway's arts education programs and the Arts Partnership Fund, which provides critical support to maintain the facility and offer greater access for the community to experience the performing arts.
