Laurence Keller
Board Chairman
New Hope Arts, Inc.
2 Stockton Ave.
New Hope, PA 18938

Dear Mr. Keller,

I have reviewed the accompanying statement of financial position of New Hope Arts, Inc., as of December 31, 2022, and the related statement of activities for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with generally accepted accounting principles of the United States and for designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

My responsibility is to conduct reviews in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require me to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. I believe that the results of my procedures provide a reasonable basis for my report.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.
