Other Information

Warrior Solder Ring Fittings are fitted utilising the lead free solder housed in the fitting. Applying the correct amount of heat to the fitting will create a strong waterproof joint between the fitting and Copper tube. Warrior Solder Ring fittings offer a quick, high quality cost effective solution.

A full range of Warrior Plumbing Fittings and Consumables are available from your local BSS branch. These include Compression Fittings, End Feed Fittings, Yellow Metal Brassware, TRV's TMV's AAV's and a large range of Lever Ball Valves. All are high quality fittings and are WRAS approved. Warrior Compression is available in pack quantities only.
