

ROYAL CARIBBEAN

CRUISE EXTRAS

DOWNLOAD THE ROYAL CARIBBEAN APP

Take your cruise to the next level – even before you step onboard. With the Royal Caribbean app, you have full control of your journey: check in with ease, book excursions as well as drink packages and specialty restaurants in advance. Everything you need, all in one place – so you can sit back and enjoy a smooth and worry-free experience from the very start.

1

DRINK PACKAGE

Upgrade your experience with a drink package and enjoy All Inclusive. Choose from a range of options to suit your taste.

4

VOOM INTERNET

Surf, stream, and share with VOOM – the fastest internet at sea.

2

SPECIALITY RESTAURANTS

Sushi, Italian favorites, or the perfect steak – treat yourself to something extra at our specialty restaurants. Don't miss the lunch offers for an even better deal!

5

MORE IN THE ROYAL-APP

- Check in and receive your tickets directly in the app
- Daily Planner – keep track of everything happening on board, including weather, ports, and everything else you need to know
- Send messages to your travel companions
- Book shows on board ships in the Icon-, Oasis- and Quantum Class
- And much more

3

EXCURSIONS

Explore your destinations in depth with excursions for every taste – from exciting sightseeing to relaxing beach days and everything in between.
