

I'm young
and healthy...

My family
makes decisions
together...

What will be,
will be...

I haven't had
great experiences
with the health
care system...

I don't like
to think about
death...

...so why should I plan for my future?

HEALTH CARE • PERSONAL CARE • FINANCIAL AFFAIRS • LEGAL MATTERS

You should plan because:

Life is unpredictable.

Planning gives you control over what happens to you in the future.

If you don't make plans, the law decides for you anyway.

Putting plans in place eases the burden on your loved ones too.
