

Detoxzyme™

Detoxzyme™ combines Anise, Cumin, and Fennel Vitality™ essential oils with a myriad of powerful enzymes that help complete digestion, detoxify the body, and promote cleansing.*

Product Size: 90 CT
Item No: 34347

ABOUT

Detoxzyme works with the body to support normal function of the digestive system and help the essential functions that maintain and build health. We've combined Cumin, Anise, and Fennel premium essential oils with a myriad of powerful fast-acting enzymes to help break down food after eating and support the digestive process. Now available in a 90-count bottle, we've utilized enzymes with higher activity levels to concentrate a single serving of Detoxzyme into one capsule. The enzymes in this new formula are up to 2x more active than the ones used in the previous formula, and have the same overall efficacy with fewer pills to swallow. Each capsule of Detoxzyme will help with you detoxify, break down the nutrients you need, and promote healthy digestion.*

DIRECTIONS

Take 1 capsule 3 times daily, between meals or as needed. This product may be used in conjunction with a detoxifying program.
