TOP 3 REASONS:

1. Make your home smell sun-sationally fresh with three summertime blends.
2. Skip the harsh chemicals in candles and air fresheners for naturally derived essential oil goodness.
3. Transform your space into an easy, breezy summer getaway in minutes.

Brought to you by Jacob and Kaitlyn Young in partnership with the D. Gary Young Research Institute, the Summer Collection features three limited-time blends designed to transform your home into an oasis of scent.

Start by taking your nose on a trip to the tropics with the scents of ripe coconuts, juicy oranges, and fresh-picked florals in our Tropical Tango essential oil blend. Featuring Ylang Ylang from our Finca Botanica Farm in Ecuador, this bright, blissful blend will have you feeling like you're living on island time.

When you want to relive the nostalgia of cool summertime sweets, count on Orange Creamsicle. Made with real Madagascar vanilla, this creamy, citrusy scent will bring back memories of simpler times and summer days spent outdoors with friends.

Next, treat your senses to the crisp smell of Seaside. Inspired by the salty ocean air and warm summer nights, this blend is a vacation in a bottle. We made it with Neroli from the blossoms of the bitter orange tree near the Mediterranean ocean.
