BLOOM by Young Living Brightening Lotion: Go for the glow! Boost your natural radiance and get lasting hydration with this lightweight lotion. Abundant with effective antioxidants, this moisturiser will fortify your moisture barrier to fight against dryness, giving you a compliment-worthy, even skin tone.

Lime Essential Oil 15 ml: Lime essential oil brings a vibrant energy that can truly uplift your environment, filling the air with its refreshing aroma. Its crisp, citrusy scent evokes a sense of clarity and invigoration. With every drop, it delivers a bright burst of flavour to the senses, awakening both mind and mood with its lively, zesty character.

Lavaderm™ After Sun Spray: Soak up the last few days of warm weather and treat yourself at the end of the day with the vegan-friendly Lavaderm After Sun Spray. This must-have offers a refreshing cooling sensation for your skin. Plus, its moisturising qualities—from ingredients such as aloe, Lavender and Helichrysum essential oil—also leave skin feeling soft and smooth.

Copaiba Essential Oil 5 ml: With its calming, earthy scent, Copaiba essential oil captures the stillness you find in nature. When used topically, it can help with the appearance of youthful skin, carrying on that summer glow into the colder autumn months. Massage it into fatigued muscles after activity or try diffusing Copaiba to create an at-home spa experience.

CitraGuard™ Deodorant: Stay fresh the natural way with CitraGuard Deodorant! Powered by pure essential oils and skin-loving ingredients, this clean formula helps neutralise odours while leaving a light, citrusy scent. It is aluminium-free, gentle on skin, and perfect for everyday confidence. Apply daily for long-lasting freshness or keep one in your bag for an on-the-go refresh.
