BALANCE by Young Living Cleanser is a gentle, foaming gel that deep cleans pores and reduces surface oils for balanced-looking skin. Previously known as Orange Blossom Facial Wash, BALANCE Cleanser is part of the BALANCE Skin Care Collection, a clinically tested, non-comedogenic, and non-acnegenic system that will help improve oily and blemish-prone skin with noticeable results in as little as 30 days. This simple, three-step system harnesses the strongest naturally derived actives we could find for oily and blemish-prone skin to help you feel confident in your complexion.

As step one of the system, BALANCE Cleanser prevents breakouts and clogged pores by removing excess dirt and oil, while also helping to maintain the natural moisture barrier. This formula is gentle enough for everyday use, relying on non-stripping ingredients to condition and moisturize to help your skin feel balanced.

Formulated to help your skin maintain a healthy biome, this cleanser will have you saying hello to a happy, balanced-feeling complexion. It's also dermatologist tested, hypoallergenic, and non-irritating, which means even sensitive skin can benefit from its use.
