

# Beauty Glow™ with full-spectrum CBD

**Product Size:** 30 ml | 1 fl. oz.  
**Item No:** 48536

## ABOUT

Most hemp farmers grow identical plants year after year by taking cuttings from the same plant, genetically engineering them, and using pesticides to control hormones and maximize CBD isolate. We do things differently. Our exclusive population hemp is farm-grown, organic, non-GMO seeds, allowing each plant to evolve naturally. This results in a diverse range of over 150 biological compounds, offering a broader spectrum of benefits for your skin and the full power of the hemp plant.

## NATURAL INGREDIENTS FOR RESULTS YOU CAN ACTUALLY SEE

### Full-spectrum population CBD

Think of your skin as a garden with good plants and weeds. Our full-spectrum CBD, with 150+ biological compounds, binds to receptor sites in your skin's microbiome to "weed" out the bad and nurture a healthy-looking glow. Naturally grown without pesticides, it's more bioavailable for more benefits with every use.

### DeepSpectra Lavender Melissa extract

Delivering even more plant power to your skin, our patents-pending DeepSpectra technology captures key compounds you won't find with other methods. Lavender Melissa extract helps soothe fatigued skin while promoting a more even-looking skin tone.

A skin care powerhouse, our full-spectrum CBD beauty oil is crafted from naturally grown whole hemp for a more mindful approach to beauty. Enhanced with exquisite essential oils and our exclusive DeepSpectra® technology, it deeply hydrates, soothes, and beautifies dry skin.

### Incan Melissa, Ecuadorian Oregano, and Ylang Ylang essential oils

Get glowing with this trio of rare beauty essential oils from our Finca Botanica Farm in Ecuador.

- **Incan Melissa essential oil** soothes tired skin and reduces the appearance of redness and uneven skin tone.
- **Ecuadorian Oregano essential oil** promotes clear, healthy-looking skin; hydrates for a bright, healthy-looking glow; and reduces the appearance of lines and wrinkles.
- **Ylang Ylang essential oil** helps to soothe skin and promotes an even-looking skin tone. It also helps manage oily skin and reduce the appearance of blemishes.

### Chlorophyll

This naturally occurring compound gives our full-spectrum CBD oil its darker hue and delivers antioxidant properties that support and soothe skin from environmental stressors. While many hemp manufacturers filter out chlorophyll, we keep it intact to preserve its benefits.

### Carrier oil base

Our lightweight blend of grapeseed, hemp seed, black seed, avocado, and coconut oils absorbs quickly for a non-greasy finish. Avocado oil, an underrated skin care superstar, is naturally rich in fatty acids and antioxidants. Together, these carrier oils moisturize and soften skin for a youthful-looking glow.

## FEATURES AND BENEFITS

- 600 mg full-spectrum CBD soothes dry, tired skin.
- Hydrating carrier oils rich in fatty and amino acids lock in moisture for a dewy, healthy-looking glow.
- Exquisite beauty oils from our farm help reduce the appearance of redness, fine lines, and wrinkles.
- Chlorophyll contains antioxidant properties that support and soothe skin from environmental stressors.

# Beauty Glow™ with full-spectrum CBD

## SUGGESTED USAGE

**For face and neck:** Warm 1 dropper of oil in clean palms, then press gently into clean, dry skin on your face and neck. Massage in upward motions. Use morning or night.

**For body:** Add 1–2 droppers of oil to body lotion before applying to boost hydration and radiance.

## DID YOU KNOW?

Hemp's history dates back to 8,000 BC, with some claiming Cleopatra herself used hemp oil in her skin care routine.

### Your purchase is a vote for a healthier planet

Choosing our CBD means supporting our Seed to Seal® commitment for a healthier planet. Through regenerative farming, our farms act as massive carbon banks, water-filtration systems, and habitats for native pollinators. This way, agriculture becomes a form of conservation—and your purchase helps create change.

## SAFETY

Keep out of reach of children and pets. For external use only. Keep away from eyes and mucous membranes. If you are taking medications or have a medical condition, consult a health care professional prior to use. Not intended for pregnant or nursing individuals or for children under the age of 2. Possible skin sensitization. Discontinue use if irritation occurs.
