

# ImmuPro™

ImmuPro™ herbal supplement is a delicious, wolfberry-flavored chewable tablet that gives your body the extra immune system support it needs. Includes melatonin to encourage restful sleep.\* This fruit and mushroom powder blend with pure Orange essential oil is sure to become your favorite part of your wellness regimen.

**Product size:** 30 chewable tablets

**Item No:** 3213

ImmuPro herbal supplement is specially formulated to support the immune system when combined with a healthy lifestyle and includes melatonin, which encourages healthy sleep cycles.\* This power-packed formula provides zinc and selenium to support proper immune function along with melatonin to promote the body's natural sleep rhythm and encourage restful sleep. It combines naturally derived immune-supporting Ningxia wolfberry polysaccharides with a unique blend of reishi, maitake, and agaricus blazei mushroom powders.

## BENEFITS AND FEATURES

- Provides immune system support\*
- Contains chelated minerals, including zinc and selenium, which emerging science suggests are more easily absorbed by the body for proper immune function\*
- Delivers melatonin, which encourages restful sleep by promoting the body's natural sleep rhythm\*

## TOP 3 REASONS TO ORDER:

1. Delivers immune system support through a mixture of Ningxia wolfberry polysaccharides, a mushroom powder blend, and pure Orange essential oil
2. Supports healthy sleep cycles and the body's natural sleep rhythm with melatonin
3. Offers a convenient way to enjoy immune system and healthy sleep support
