

Season Essentials™ essential oil blend FAQ

Q. Which Young Living® essential oils are used in this blend?

A. Season Essentials™ essential oil blend contains *Lavandula angustifolia* (Lavender) flowering tops oil, *Citrus limon* (Lemon) peel oil, *Mentha piperita* (Peppermint) oil, *Solidago canadensis* (Goldenrod) flower/leaf stem extract, and *Eucalyptus bicostata* (Eucalyptus blue) oil.

Q. Can I ingest this proprietary blend?

A. Yes, Season Essentials blend can be ingested. Dilute 1–2 drops with 1 drop carrier oil and place under your tongue or in a capsule up to three times daily.

Q. How long can I diffuse this exclusive Young Living blend?

A. You can diffuse Season Essentials essential oil blend for up to 1 hour 3 times daily.

Q. Do I need to dilute this blend before topical application?

A. Yes, when using Season Essentials blend topically, dilute 1 drop in 2 drops of carrier oil.

Q. What does this blend smell like?

A. Season Essentials blend has a fresh, minty, soft herbaceous aroma.

Q. What are the primary features and benefits of this blend?

A. The primary features and benefits of Season Essentials blend are as follows:

- Supports a healthy respiratory system*
- Contains Lavender essential oil, which is known for its calming properties when consumed*
- Contains Peppermint essential oil, which supports normal respiratory function when used internally*
- Diffuse for a deep and refreshing breathing experience
- Use to freshen breath
- Has a stimulating, soothing aroma when applied topically to the head, neck, and chest
- Use for a refreshing breathing experience

Q. What is the difference between this dietary blend and a Young Living Vitality™ oil?

A. Vitality is the brand name we gave to our oils labeled for dietary use. Season Essentials essential oil blend is still labeled as a dietary product but simply does not have the Vitality brand name. The dietary classification of this blend gives you the freedom to enjoy all the benefits it has to offer. Pop it in your diffuser, take it with a teaspoon of honey, or rub it between your palms to breathe in the refreshing aroma.

Q. Are there any cautions associated with this blend?

A. The following cautions are associated with Season Essentials blend:

- Keep out of reach of children.
- Keep away from eyes.
- If you are pregnant, nursing, taking medication, or have a medical condition, consult a health care professional prior to use.
- If using topically, avoid direct sunlight or UV rays to application area for up to 12 hours.
