

Wanderful™ Atomizing Diffuser

Item No: 48016

Featuring the latest atomizing technology, this diffuser converts essential oils into a microfine mist without heat or water, so you get the full, undiluted benefits of every drop.

Compact enough for a cupholder or carry-on, yet powerful enough for 18 hours of continuous use, it's designed to make life a little easier and a lot more serene. Simply add an essential oil bottle and enjoy pure, effortless diffusion without the worry of leaks or the hassle of cords.

BENEFITS AND FEATURES

- Waterless and heatless
- Anti-leak 360-degree technology prevents spills when traveling
- Cordless and compact for easy portability
- Scents for up to 10 hours on high and 18 hours on low before recharging
- Automatically shuts off when tipped over to ensure safety
- Helps conserve water by eliminating the need for refilling

Take your favorite scents wherever you wander with this sleek and portable waterless essential oil diffuser.

SUGGESTED USAGE

- **Home:** Create a serene atmosphere in any space up to 250–300 square feet with waterless, heat-free diffusion.
- **Car:** Enjoy calming scents during your commute with the lower intensity setting.
- **Travel:** Throw it in your bag for compact and leak-proof aromatherapy on the go.

DIRECTIONS

1. Plug in to charge the battery.
2. Remove the top cover and pull out the nozzle.
3. Add your favorite essential oil bottle.
4. Reinsert the nozzle and replace the cover.
5. Press the button to start and press again to adjust the mist output from low to high.
6. Turn off by pressing the button a third time or let it shut off automatically.
