

Thieves® Dishwasher Tablets

FAQ

Q. Are Thieves® Dishwasher Tablets considered vegetarian and/or vegan-friendly?

A. Yes, Thieves Dishwasher Tablets are both vegetarian and vegan friendly.

Q. Do Thieves Dishwasher Tablets include ingredients containing gluten?

A. No gluten-containing ingredients are used in the formulation of Thieves Dishwasher Tablets. This product may be manufactured in a facility that uses gluten in other product formulations; however, according to CGMP (current good manufacturing practices), the machinery is cleansed and sanitized between products to prevent contamination. If you have additional concerns about using this product, we encourage you to speak to your health care provider.

Q. Are corn-derived ingredients used in Thieves Dishwasher Tablets? If yes, are they GMO?

A. The trisodium citrate and sodium gluconate used in Thieves Dishwasher Tablets are derived from non-GMO corn. However, due to the processing of this ingredient, no corn proteins remain in the final product. This product may be manufactured in a facility that uses corn in other product formulations; however, according to CGMP (current good manufacturing practices), the machinery is cleansed and sanitized between products to prevent contamination. If you have additional concerns about using this product, we encourage you to speak to your health care provider.

Q. Are soy-derived ingredients used in Thieves Dishwasher Tablets? If yes, are they GMO?

A. No soy-derived ingredients are used in the formulation of Thieves Dishwasher Tablets. This product may be manufactured in a facility that uses soy in other product formulations; however, according to CGMP (current good manufacturing practices), the machinery is cleansed and sanitized between products to prevent contamination. If you have additional concerns about using this product, we encourage you to speak to your health care provider.

Q. Are palm/coconut-derived ingredients used in Thieves Dishwasher Tablets?

A. Potassium cocoate is derived from coconut and palm kernel oil. If you have additional concerns about using this product, we encourage you to speak to your health care provider.

Q. Are tree nut-derived ingredients used in Thieves Dishwasher Tablets?

A. Other than potassium cocoate which may be partially derived from coconut, there are no other tree nut-derived ingredients used in the formulation of Thieves Dishwasher Tablets. If you have additional concerns about using this product, we encourage you to speak to your health care provider.

Q. Are sesame-derived ingredients used in Thieves Dishwasher Tablets?

A. No sesame-derived ingredients are used in the formulation of Thieves Dishwasher Tablets. This product may be manufactured in a facility that uses sesame in other product formulations; however, according to CGMP (current good manufacturing practices), the machinery is cleansed and sanitized between products to prevent contamination. If you have additional concerns about using this product, we encourage you to speak to your health care provider.

Q. How many Thieves Dishwasher Tablets should I use per load of dishes?

A. For a normal dish load, use 1 tablet. For heavy loads use 2 tablets.

Q. Do Thieves Dishwasher Tablets include a rinse aid or should I add a separate rinse aid to my washer?

A. Thieves Dishwasher Tablets do not include a rinse-aid ingredient. They do include sodium carboxymethyl inulin which helps serve as an anti-redistribution agent to prevent any buildup during washing.

Q. Do Thieves Dishwasher Tablets smell like Thieves® essential oil blend?

A. Yes, Thieves Dishwasher Tablets feature our characteristic Thieves scent with added Orange and Lemon.

Q. How many tablets are included in a package?

A. Each package contains 30 Thieves Dishwasher Tablets.

Q. Is the same formula used for Thieves Dishwasher Tablets as Thieves® Dishwasher Powder?

A. No, our Thieves Dishwasher Tablets are a brand-new product and feature a unique formula not used in any of our other products.

Q. Are Thieves Dishwasher Tablets considered low sudsing?

A. Yes, Thieves Dishwasher Tablets are low sudsing.

Q. What essential oils are used in Thieves Dishwashing Tablets?

A. Thieves Dishwasher Tablets contain *Eugenia caryophyllus* (Clove) bud oil, *Citrus limon* (Lemon) peel oil, *Cinnamomum zeylanicum* bark oil, *Eucalyptus radiata* leaf oil, and *Rosmarinus officinalis* (Rosemary) leaf oil are used in these tablets.

Q. Are companion products available?

A. All of our Thieves Home line products are designed to work perfectly alongside each other--the Thieves Dishwasher Tablets are a great companion to the Thieves® Cleaner, Thieves® Dish Soap, Thieves® Kitchen & Bath Scrub, and Thieves® Multipurpose Wipes, ensuring every aspect of your home stays clean and fresh.

Q. What are the dimensions of the dishwasher tablets?

A. Thieves Dishwasher Tablets are approximately 1 inch in diameter and 5/16 inch in height. Each tablet weighs 7 grams.

Q. Is a coating used on the dishwasher tablets?

A. No coating is used on Thieves Dishwasher Tablets.
