

Thieves® essential oil blend

Product Size: 15 ml
Item No: 3423

Discover the mystique behind Thieves essential oil blend—a powerful proprietary combination of Clove, Lemon, Cinnamon Bark, Eucalyptus Radiata, and Rosemary essential oils. Young Living Founder D. Gary Young created this blend based on research found in the archives of the British Museum library about a group of 14th-century European perfumers and spice traders who rubbed oils on themselves while they robbed the sick and dying. When captured, the traders exchanged their secret formula for leniency. Today, this legendary blend is renowned for its cleansing properties and fresh and clean aroma and as the key ingredient in our Thieves® Home Collection.

The legendary Thieves essential oil blend is a symphony of Clove, Lemon, Cinnamon Bark, Eucalyptus Radiata, and Rosemary essential oils. Its crisp, spicy aroma cleanses the air and refreshes your indoor spaces, especially during the colder months. It's also a cleansing companion and the star of Young Living's line of cleaning products.
