

PRODUCT SUMMARY

Your pets are part of the family, so why wouldn't you share the goodness of essential oils with them? Animal Scents Dental Pet Chews combine the power of Spearmint essential oil and green tea extract to create a tasty treat that supports your pet's oral health.

Oral care is just as important for your furry friends as it is for you. Now maintaining a happy, clean mouth is as simple as tossing your pet an Animal Scents Dental Pet Chew!

These tasty treats have grooves that work with animals' instinctive chewing style and support your pet's oral health. Plus, they include naturally derived ingredients! Sound like something you and your pet can agree on? Support your pet's oral care with this simple snack!

KEY INGREDIENTS

Green tea extract, Spearmint essential oil, calcium carbonate, pea fiber

EXPERIENCE

Delicious, nutritious, and effective! Your pet is sure to love Animal Scents Dental Pet Chews, and you're sure to love this hassle-free approach to pet dental care.

PRODUCT BACKGROUND

The pets in your life deserve the benefits of essential oils, too! Our members love our Animal Scents product line, and we want to bring you even more animal-friendly products safeguarded with our Seed to Seal[®] quality commitment. We formulated Animal Scents Dental Pet Chews as a new way to create a happy home for every member of your family—furry or not!

BENEFITS & FEATURES

- Easy and convenient way to clean your pet's teeth
- Works to loosen and dislodge plaque to help break it away from teeth
- Freshens breath
- Helps promote healthy gums
- Fortified with added vitamins and minerals
- Made with a porous texture to help clean hard-to-reach teeth down to the gumline
- Formulated without synthetic colors, flavors, dyes, or preservatives

ANIMAL SCENTS® DENTAL PET CHEWS™

DIRECTIONS

Use Animal Scents Dental Pet Chews 2 times a week or as needed.

Serving Size:

- Pets 5-19 pounds: ½ chew
- Pets 20+ pounds: 1 chew

Consult a veterinarian for pets that are pregnant or under 5 lbs. before use.

CAUTIONS

Keep out of reach of children. For external use only. Always offer sufficient water when giving your pet treats or food. Make sure your pet chews the treat completely since gulping any item can harm your pet. This product is not recommended for pets with a history of gulping, choking, or poor chewing capability. Always consult with your veterinarian about the proper nutrition for your pet.

INGREDIENTS

Potato starch, Pork gelatin, Water, Beet pulp powder, Rice syrup, Pea fiber, Coconut oil, Calcium carbonate, Salt, Sunflower lecithin, Natural flavor powder for dry dog food, Glycerin, Kelp powder, Dried ground dill, Natural preservative (sunflower oil, mixed tocopherols, and rosemary extract), Green tea extract, Dried ground parsley, Fresh parsley, Spearmint oil

FREQUENTLY ASKED QUESTIONS

Q. Are the Animal Scents Dental Pet Chews intended only for dogs?

A. While the flavor profile for the chews was developed for dogs, they can be used by all types of pets.

Q. Can I drop additional essential oils on the chews if I want?

A. Yes, but please remember that animals are more sensitive to essential oils than humans, so additional dilution is required. We also encourage you to consult your pet's veterinarian if you have questions regarding which oils to use or how much dilution is required.

Q. How should I divide the chew for a smaller pet?

A. You can use a sharp knife to cut the chew in half.

Q. How do essential oils enhance the chews?

A. The essential oils enhance the chews' flavor and aroma.
