GOLDEN TURMERIC

Golden Turmeric contains turmeric extract, ginger root extract, frankincense and prebiotics to support the body's immune response while promoting digestive and joint health, with sweet and delicious mango rose flavor.

Essential Oils Infused

Lime Vitality essential oil provides benefits of antioxidants while supporting overall well-being and adds a refreshing citrus flavor

YL
TIPS

Contains 6 times of curcuminoids than standard turmeric

24 times more bioavailable than standard turmeric extract

SULFURZYME

Formulated with super fruit Ningxia wolfberry and naturally occurring organic sulfur MSM, it helps defend against oxidative stress, promotes metabolism, supports bone health and joint flexibility, boosts joint recovery after exercise, and improves hair and skin health.

YL TIPS

Naturally occurring organic sulfur MSM helps maintain normal cell health, supports liver, joints and intestines functions and promotes detoxification and overall immunity

DAILY PREBIOTIC FIBER

Each scoop contains 6 grams of plant-based prebiotics and 5 grams of soluble fiber, to support your gut microbiome, clean metabolic toxins, promote overall digestive, immune, cardiovascular and emotional health. It also provides support to your weight management program.

Essential Oils Infused

Fennel, Anise, Tarragon, Ginger, Lemongrass and Rosemary essential oils help to optimize nutrient absorption and reduce accumulation of metabolic toxins in the body

YL
TIPS

Adolescents and adults need 25 grams or more dietary fiber daily

NINGXIA GREENS

NingXia Greens contains 60+ nutrient-rich vegetables, fruits and mushrooms. Each scoop packs 2-3 servings of fruits and vegetables, providing a powerful dose of antioxidants, vitamins, minerals and phytonutrients to help supplement the insufficient intake of fruits and vegetables in daily diet, and effectively promotes immune and digestive health.

Essential Oils Infused

MultiGreens™ essential oil blend (Rosemary, Lemon, Lemongrass, Melissa Leaf) helps to defend against oxidative stress and supports immune and circulatory health

YL TIPS

The World Health Organization recommends that adults eat at least 2 servings of fruits and 3 servings of vegetables (about 80g per serving) daily

DISCOVER THE POWER OF OIL-INFUSED SUPPLEMENT

Young Living was the first to add essential oils to nutritional supplements. Our oil-infused supplements contain naturally derived ingredients that are unique and deliver wide-ranging health benefits by helping with nutrient absorption and providing rich antioxidants. Discover the difference!
