

Life 9[®]

Life 9 is a probiotic with 17 billion live cultures from nine beneficial bacteria strains to support healthy immune function, maintain optimal metabolism, and promote normal intestinal function.*

Product Size: 30 capsules
Item No.: 18299

With over 17 billion live cultures, Life 9 is a favorite for those who struggle with common gut discomfort. Named for the nine varying bacterial strains found in this once-daily capsule, Life 9 can be added to your supplement rotation to give your gut all the little helpers it needs to do its job right. A simple addition for people looking to optimize their digestive and immune system health, Life 9 helps maintain healthy intestinal functioning, supports crucial diversity within your gut microbiome, and helps replenish healthy bacteria to keep your body going strong.
