

Thieves® Vitality™

essential oil supplement

Product Size: 5 ml
Item No: 5631

Unravel the captivating history behind Thieves Vitality essential oil blend! Young Living Founder D. Gary Young crafted this potent combination of Clove, Lemon, Cinnamon Bark, Eucalyptus Radiata, and Rosemary essential oils based on the story of a band of thieves in 14th-century France. The thieves, who were European perfumers and spice traders, applied oils before robbing the dead and dying. When captured, they exchanged their secret for leniency. Today, Thieves is the first essential oil blend to undergo scientific evaluation at a university research laboratory. Its warm, spicy scent and support for overall wellness and the immune system make it one of Young Living's most popular proprietary blends. Thieves and Thieves Vitality oil blends are the same, with Thieves Vitality offering label instructions so you can enjoy its internal benefits.

The dietary version of our legendary Thieves essential oil blend labeled for dietary delight! This combination of Clove, Lemon, Cinnamon Bark, Eucalyptus Radiata, and Rosemary essential oils provides immune support and cleansing properties when taken internally.*
