

Ortho Sport

Massage Oil

Product Size: 8 oz
Item No: 3032

SCENT PROFILE

Has a bold, herbaceous, minty aroma

Ortho Sport Massage Oil was created with athletes in mind. Similar to Ortho Ease[®] Massage Oil, Ortho Sport has a higher menthol and carvacrol content that produces both a cooling and warming sensation when applied to fatigued muscles. Whether you use it before or after a tough workout at the gym or on muscles that are feeling a little more tense than usual, Ortho Sport is the support your tired muscles need. Deeply herbaceous and spicy, Oregano essential oil creates a warming sensation on the skin when applied topically. Native to the Mediterranean and a member of the mint family, Thyme essential oil has a bold, herbal aroma and creates a warming sensation on the skin when applied topically. Last, Peppermint essential oil offers a tantalizing sensation to cool things down and bring balance to your skin and muscles.

Ortho Sport[®] Massage Oil combines gluten-free ingredients, like pure vegetable oils, with essential oils such as Oregano, Peppermint, Thyme, Ginger, and Rosemary, to leave skin, muscles, and joints with a comforting cool-warm sensation.

BENEFITS AND FEATURES

- Has a bold, herbaceous, minty aroma
- Creates a warm-cooling sensation on the skin when applied topically
- Soothes tired, overworked bodies
- Contains essential oils blended with massage oil
- Pairs well with PanAway[®], Cool Azul[®], and Deep Relief[™]

SUGGESTED USES

- Apply Ortho Sport to muscles and joints following sports or strenuous physical activity.
- Use it as part of a sports massage for an enhanced massage experience.
- Add additional essential oils of your choice for a customized experience.

TOP 3 REASONS TO ORDER

- You're looking for natural comfort after strenuous activity.
- You're swapping your medicine cabinet for cleaner options.
- You need help winding down after physical activity.

Ortho Sport Massage Oil was created with athletes in mind.

Ortho Sport

Massage Oil

DIRECTIONS

Thoroughly massage onto areas of the body following exercise. Shake well before using.

[†]Premium essential oil

SAFETY

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use. Not for use on children under 2 years of age.

KEY INGREDIENTS

- **Oregano:** One of the most powerful and versatile essential oils, Oregano contains carvacrol, which creates a warming sensation that is soothing to the muscles when applied topically.
- **Ginger:** Known as the “oil of empowerment,” Ginger offers a warm, spicy aromatic experience when diffused or applied topically.
- **Peppermint:** Containing menthol for an invigorating aroma and a cooling sensation, Peppermint helps to soothe fatigued muscles.
- **Thyme:** Containing the powerful antioxidant thymol, Thyme helps to cleanse the skin and add yet another warming sensation when applied topically.
- **Lemongrass:** Cleansing the air and neutralizing unwanted odors, Lemongrass also enhances massage with just a few drops.
