The income statistics in this statement are for incomes earned by all global members who were active for any part of 2020. An “active” member is a member who made at least one product purchase in the previous 12 months.⁴ Fifty-six percent (56%) of all members who enrolled in 2019 did not make a purchase with Young Living in 2020. Seventy percent (70%) of all members who enrolled in 2018 did not make a purchase with Young Living in 2020.

Note that the income paid to members summarized in this disclosure do not include expenses incurred by a member in the operation or promotion of his or her business, which can vary widely and might include product purchases, advertising or promotional expenses, product samples, training, rent, travel, telephone and internet costs, and miscellaneous expenses. These figures should not be considered as guarantees or projections of your actual income or profits. Your success will depend on individual diligence, work, effort, sales skill, and market conditions. Young Living does not guarantee any income or rank success.

- 1 Members' ranks may change during the year. These percentages are based on individual distributors' highest achieved ranks earned during the year.
- 2 These incomes are categorized based on the highest achieved rank individual distributors earned throughout the entire year and may contain income earned at a lower rank.
- 3 These statistics are limited to those who achieved this rank for the first time in 2020.
- 4 Members who have not made at least one product purchase in the previous 12 months have their membership inactivated.
