

# Adobe Mist™ Ultrasonic Diffuser

**Product Size:** Height: 8.15 Inches  
Diameter: 4.7 Inches  
**Item No.:** 46140

Bring home a harmony of style and functionality with Young Living's Adobe Mist Ultrasonic Diffuser. Its fluted ceramic design complements any space with a touch of elegance, effortlessly enhancing your decor while delivering powerful and customizable aromatic experiences. With up to 32 hours of continuous run time, this diffuser can work day and night to cover large spaces, ensuring your home is always infused with the calming or invigorating scents you select. A low-voltage USB-C power connection and eight customizable light settings make the Adobe Mist Diffuser a convenient and versatile choice for any lifestyle.

## HIGHLIGHTS

- Up to 32 hours of run time:** Enjoy continuous aromatic bliss.
- Covers 375 square feet:** Use it in large rooms and open spaces.
- Eight customizable light settings:** Adjust it to suit your mood or decor.
- Lower voltage with USB-C:** Take advantage of modern convenience and safety.

Elevate your space one mist at a time with the Adobe Mist Ultrasonic Diffuser! Beautifully crafted from elegant ceramic, this diffuser blends sophisticated design and advanced features such as customizable run modes and light settings, inviting the perfect ambiance into every corner of your home.

## FEATURES & BENEFITS

- **Elegant ceramic design:** Fluted and sculptural, it enhances any home decor.
- **Multiple run modes:** High, low, and intermittent modes offer customizable diffusion times.
- **Eight light settings:** Choose from eight different light options or a gentle cycle through colors.
- **Aesthetic appeal:** Adds a touch of elegance and sophistication to any room.
- **Customizable experience:** Tailor the diffusion and lighting to match your mood or occasion.
- **Extended coverage:** It efficiently fills large spaces with your favorite scents, enhancing the ambiance.
- **Convenient and safe:** It is easy to power and operate with modern USB-C connectivity.

## SUGGESTED USES

- **Relaxation:** Use it with Lavender essential oil to create a calming atmosphere while winding down in the evening.
- **Focus:** Diffuse Peppermint or Eucalyptus oil while you concentrate and find mental clarity for work or study sessions.
- **Social gatherings:** Try citrus blends to create an uplifting and refreshing environment for entertaining guests. Diffuse Christmas Spirit™ essential oil blend to evoke memories of joy, happiness, comfort, and security, which is perfect during holiday get-togethers.
- **Sleep support:** Diffuse Chamomile essential oil while winding down for a restful sleep.

# Adobe Mist™ Ultrasonic Diffuser

## DIRECTIONS

- Remove the outer ceramic cover by holding the base and gently lifting the cover. Handle the cover with care; if dropped, it will shatter.
- Remove the inner lid of the water reservoir.
- Add water to the reservoir until it reaches the water line.
- Add 8–10 drops of essential oil to the water.
- Place the lid back on the reservoir and then replace the ceramic cover on the diffuser.
- Connect the diffuser to the USB-C power supply.
- Press the on/off button (middle) to start the diffuser.
- Adjust the settings using the high or low output button (left of the on/off button) and the light button (right of the on/off button).

## CAUTION

For safety and care information, refer to the operation manual.
