# Simplified by Jacob + Kait™ Pumpkin Spice™ blend FAQ

**Q. Is Pumpkin Spice blend a permanent product, or is it available only for a limited time?**

A. Pumpkin Spice blend is available only for a limited time.

**Q. How is Pumpkin Spice blend packaged? What size is the blend?**

A. This blend is contained in a 10 ml frosted glass bottle.

**Q. Why isn't this blend packaged in an amber bottle? Won't it age with increased exposure to light?**

A. This blend is packaged in a high-quality frosted glass bottle that showcases the blend's natural color. The purpose is to simply enjoy the beautiful natural aroma that Pumpkin Spice blend offers.

**Q. Are ingredients besides essential oils used in this blend?**

A. Yes, Pumpkin Spice blend also contains Vanilla oleoresin (Vanilla planifolia fruit extract in fractionated coconut oil) in addition to the essential oils.

**Q. Does this blend contain fractionated coconut oil?**

A. While some past Simplified by Jacob + Kait™ blends contained higher levels of fractionated coconut oil, our new Simplified by Jacob + Kait blends contain no fractionated coconut oil or such a small amount that it will not negatively impact the diffusion experience.

In the Pumpkin Spice blend, the only fractionated coconut oil present is the minimal amount in the Vanilla oleoresin, which does not interfere with diffusion.

**Q. Why doesn't this Pumpkin Spice blend smell like pumpkin?**

A. There is no pumpkin essential oil or other natural whole-plant extract that captures the essence of pumpkin. Instead of using synthetic alternatives, we made this blend with the essential oils of spices commonly used in pumpkin pie for a warm, authentic, and naturally derived aroma.

**Q. Is this blend compatible with the AromaConnect™ LunaMist Diffuser and Wake-Up Light Diffuser?**

A. Yes, Pumpkin Spice blend is compatible with both diffusers. Use the 15 ml pipe—it will bend a little at the bottom but will still work great.
