

Orange Essential Oil

Citrus sinensis

YOUNG LIVING®
ESSENTIAL OILS

Orange essential oil has a bright, uplifting aroma that cleanses and refreshes the air when diffused and removes adhesives and residues to clean surfaces. When taken internally, it may also support your overall wellness.*

Product Size: 15 ml

Item No.: 3602

Cold-pressed from the rinds of oranges grown in Costa Rica, Young Living's Orange essential oil has a sweet, authentic aroma reminiscent of a freshly peeled orange. Like sunshine in a bottle, its cheerful, citrusy aroma brightens any room and leaves your home smelling fresh and clean. When mixed with a light moisturizer and applied to the skin, Orange essential oil may help reduce the appearance of blemishes. Orange, like other citrus oils, can cause photosensitivity, so avoid applying it to exposed skin before spending time in the sun.

The dietary, or Vitality™, version of this oil has a sweet, citrusy flavor that you can substitute for orange zest in recipes.

*Orange and Orange Vitality oil are the same essential oil.
