

# Young Living Seedlings® Linen Spray FAQs

## **Q. How has the Seedlings Linen Spray been enhanced?**

A. The Seedlings Linen Spray formula has been enhanced by replacing a previously used ingredient with a synthetic-free solubilizer. The new ingredient aligns with our clean standards while providing a solubilizer that allows the product to keep a premium consistency.

## **Q. Have the formulation changes resulted in a more premium product with the increase in price?**

A. While we've formulated Seedlings Linen Spray to be as close to our original formula as possible, we've upgraded a few base ingredients. This has improved the availability of the product while letting you enjoy the same experience.

## **Q. Is Seedlings Linen Spray vegetarian and/or vegan friendly?**

A. Yes, Seedlings Linen Spray is both vegetarian and vegan friendly.

## **Q. What is the predominant scent of Seedlings Linen Spray?**

A. Seedlings Linen Spray uses a special calm blend, made exclusively for the Seedlings product line, which features Lavender essential oil. The blend has a light, relaxing floral aroma.

## **Q. Do I need to shake Seedlings Linen Spray before each use?**

A. You should shake well before each use for optimal ingredient dispersion.

## **Q. How easy is it to remove the Seedlings Linen Spray scent after use?**

A. The scent is easily removed from fabrics after washing.

## **Q. Is gluten present in any of the product ingredients?**

A. There are no gluten-containing ingredients used in Seedlings Linen Spray. Please be aware, however, that this product may be manufactured in a facility that processes gluten-based products. However, we follow current manufacturing practices to ensure that machinery is cleansed between productions to prevent contamination. If you have additional concerns about the use of this product, we encourage you to speak to your health care provider.

## **Q. Are corn-derived ingredients present? Are they GMO?**

A. Caprylyl/capryl glucoside, polyglyceryl-6 oleate, and sodium levulinate may all be derived from GMO-free corn. If you have further concerns, please speak to your health care provider prior to use.

## **Q. Are soy-derived ingredients used?**

A. There are no soy-derived ingredients used in Seedlings Linen Spray. Please be aware, however, that this product may be manufactured in a facility that creates soy-based products. However, we follow current manufacturing practices to ensure that machinery is cleansed between productions to prevent contamination. If you have additional concerns about the use of this product, we encourage you to speak to your health care provider.
