

# Valor® essential oil blend FAQ

Learn all about the original Valor essential oil blend! Back with a refreshed label to celebrate its return, this 5 ml blend features Rosewood essential oil.

**Q. Why was Valor blend reformulated back to the original formula?**

A. We've been working hard to bring Rosewood essential oil back into our Valor blend. Rosewood is a protected species, and we're proud to have established a sustainable source in Brazil. With this partnership, we can now return to our original Valor blend with Rosewood essential oil.

**Q. When was Valor blend originally launched?**

A. Gary Young formulated Valor blend in 1990. He developed it during a stressful time in his life when he needed strength and courage. Since then, Valor essential oil blend has become one of our most popular blends.

**Q. How long will the Valor convention blend be available for purchase?**

A. Our Valor blend with Rosewood essential oil and the updated label will be available as a permanent product.

**Q. What size bottle of Valor blend is being offered at the convention and post-convention?**

A. Valor blend will be available in a 5 ml amber bottle with a brand-new label.

**Q. Why is this essential oil blend blue?**

A. Blue Tansy essential oil gives this blend its blue hue.

**Q. What is the history of Valor blend?**

A. Valor blend was created based on old Roman papers Gary Young encountered at a Hebrew University. According to these papers, Roman soldiers would bathe in essential oils as part of a three-day ceremony to prepare for war.

**Q. What are the features and benefits of Valor blend?**

A. The features and benefits of Valor essential oil blend are as follows:

- Features a balancing and aligning aroma
- Contains Rosewood essential oil, which creates a calming environment when used topically or aromatically
- Helps you maintain a grounded atmosphere for yoga and meditation
- May enhance the appearance of healthy-looking skin

- Makes massage feel even more rejuvenating with its comforting scent

**Q. Are there any new ingredients in Valor blend?**

A. Yes, Valor blend now contains Rosewood essential oil, which was part of Gary Young's original formulation.

**Q. What is the scent of Valor essential oil blend?**

A. Valor blend has a rich, woody, floral aroma.

**Q. Which essential oils are used in Valor blend?**

A. Valor contains *Picea mariana* (Black spruce) leaf oil, *Aniba rosodora* (Rosewood) wood oil, *Tanacetum annuum* (Blue Tansy) flower oil, and *Boswellia carterii* (Frankincense) oil.

**Q. Can Valor blend be ingested?**

A. Valor blend is labeled for topical and aromatic use and is not intended for internal consumption. Be sure to follow all individual label instructions for safe usage of Young Living products.

**Q. How long can Valor blend be diffused?**

A. Valor can be diffused for up to one hour, three times daily.

**Q. Does Valor blend need to be diluted before topical application?**

A. Dilution is not required, except for the most sensitive skin. We recommend applying 2-4 drops directly to the desired area as needed.

**Q. Does Valor blend include ingredients derived from palm/coconut?**

A. Yes, fractionated coconut oil is used in Valor blend. If you have further concerns, please speak to your health care provider prior to use.

**Q. Is there a UV warning associated with Valor essential oil blend?**

A. No, there is no UV warning for Valor essential oil blend.

**Q. Are nut oils used in Valor essential oil blend?**

A. Yes, fractionated coconut oil is used in the Valor convention blend. Other than this ingredient, there are no additional nut-derived ingredients. Please be aware that while this product

contains only coconut and does not contain any additional tree nut-derived ingredients, it is possible that this product is manufactured in a facility that uses tree nuts in other product formulations. Though there may be tree nuts processed in the same facility, please rest assured that, according to CGMPs (current good manufacturing practices), the machinery is cleansed and sanitized between products to prevent contamination. If you have additional concerns about the use of this product, we encourage you to speak with your health care provider.

**Q. Are there any cautions associated with Valor blend?**

A. Yes, the following cautions are associated with Valor blend:

- Keep out of reach of children.
- For external use only.
- Keep away from eyes and mucous membranes.
- If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use.
