

Sandalwood Boswellia™ Firming Cream

Item No: 43953

Product Size: 3.4 fl. oz.

Sandalwood Boswellia™ Firming Cream features targeted plant-based ingredients to visibly firm skin and reduce the appearance of wrinkles on the neck, décolletage, and body. Featuring a powerhouse combination of paracress flower and edelweiss cell culture which creates firmer looking skin, with less wrinkles and horizontal lines. This firming cream is also infused with Swiss fermented grapes and Peruvian carob for an immediate tightening effect, plus nine nourishing essential oils, including Royal Hawaiian Sandalwood™ essential oil. Royal Hawaiian Sandalwood is sustainably and carefully sourced at Young Living's Kona Reforestation Project in Hawaii.

KEY INGREDIENTS

- **Paracress flower and edelweiss cell culture:** Visibly lift and firm to significantly reduce the appearance of horizontal lines, wrinkles, and sagging on neck, décolletage, and body in as little as four weeks.
- **Sea fennel:** A natural, gentle, non-irritating retinol alternative that promotes a smooth, radiant appearance and even-looking skin tone.
- **Proprietary essential oil blend:** Royal Hawaiian Sandalwood™, Lavender, Frankincense, Coriander, Myrrh, Rosemary, Ylang Ylang, Geranium, and Bergamot essential oils help moisturize, nourish, and promote the appearance of youthful-looking skin.
- **Swiss fermented grape extract and Peruvian carob:** Deliver an immediate tightening effect visibly enhancing the skin's appearance in only 30 minutes.
- **Shea butter and sodium hyaluronate:** Deliver deep hydration to promote the appearance of smooth and supple skin.

The first signs of aging are common in the neck. Uplift your beauty with ingredients from nature, backed by science. This luxe, ultra-hydrating cream supports a youthful-looking appearance using sea fennel, plant-cell technology and premium essential oils.
