## Dual-Phase Toner

YOUNG LIVING  
ESSENTIAL OILS

**Product Size:** 4.0 fl. oz. | 120 ml  
**Item No:** 36285

As step two of the system, BALANCE Dual-Phase Toner helps reduce the appearance of pores and blemishes, may help against future breakouts, and provides all-day shine control for a more flawless complexion. This formula restores the skin after cleansing, so you can get the appearance of a brighter, detoxified, and more clarified complexion after two weeks.

A must-add step when prepping the skin for moisturizer, this toner can be used to pamper normal, combination, and oily skin types. It is also dermatologist tested, hypoallergenic, and non-irritating, which means even sensitive skin can benefit from its use. Pair BALANCE Dual-Phase Toner with BALANCE Mattifying Lotion and BALANCE Cleanser to get the best results and let your confidence out with great skin!

### KEY BENEFITS:

- Mattifies skin and provides all-day control of oil and shine for a flawless complexion
- Reduces the appearance of pores by removing excess oil in only 15 minutes
- Minimizes the appearance of blemishes and future breakouts

With gentle, naturally derived ingredients, BALANCE by Young Living Dual-Phase Toner reduces the appearance of pores in only 15 minutes, provides an eight-hour mattifying effect, balance the skin's microbiome, and helps minimize the appearance of blemishes. The BALANCE Skin Care Collection is a clinically tested, non-comedogenic, and non-acnegenic system that will help improve oily and blemish-prone skin with noticeable results in as little as 30 days. This simple, three-step system harnesses the strongest naturally derived actives we could find for oily and blemish-prone skin and uses them at the most effective clinical testing levels, so you can feel confident in your own skin.

### ADDITIONAL BENEFITS

- Provides the appearance of a brighter, detoxified, and more clarified complexion after two weeks of continued use
- Preps the skin for moisturizer to maximize the benefits of subsequent products
- Clinically tested, dermatologist tested, non-comedogenic, non-acnegenic, and non-irritating
- Formulated with naturally derived ingredients free of gluten, parabens, phthalates, synthetic fragrances, sulfates, and mineral oil
- Helps absorb oil and excess sebum throughout the day

### SUGGESTED USAGE

### INGREDIENTS

Water/Eau, Alcohol denat., Glycerin, Propanediol, Bentonite, Sea water/Eau de mer, Benzyl alcohol, Pseudoalteromonas ferment extract, *Citrus aurantium dulcis*<sup>†</sup> (Orange) flower extract, Sodium chloride, Hamamelis virginiana (Witch hazel) water, Citric acid, Sucrose, Malachite extract, Alcohol, *Lavandula angustifolia*<sup>†</sup> (Lavender) oil, *Citrus aurantium dulcis*<sup>†</sup> (Orange) peel extract, *Nymphaea odorata* root extract, *Pogostemon cablin*<sup>†</sup> (Patchouli) oil, *Morinda citrifolia* extract, *Rosmarinus officinalis*<sup>†</sup> (Rosemary) leaf oil, *Citrus limon*<sup>†</sup> (Lemon) peel oil, Mica, Titanium dioxide

<sup>†</sup>Premium essential oil

### KEY INGREDIENTS

- **Noni extract:** This ingredient supports a healthy microbiome, reduces excess sebum on the surface of the skin, and minimizes the appearance of blemishes. Native to Southeast Asia and Australia, noni is noted for being able to survive harsh environments and is one of the first plants to colonize

lava-ridden areas. This extract can interact with the skin's microbiome, effectively acting on the dysbiosis to perfect the skin's appearance. It targets the common microbiota imbalances associated with blemish-prone skin. It also decreases the relative production of *S. aureus* and *P. acnes*, while also maintaining the favorable skin microbiota *S. epidermidis*.

- **Ocean minerals:** Ocean minerals deliver immediate glow to the skin and help minimize the appearance of pores in only 15 minutes. Our minerals are from sea water sourced from a deep marine lake off the Atlantic Coast, located in Noirmoutier, France—an island known for its salt marshes and salt banks. This sea water flows through different geological layers within the island, making it rich in manganese, zinc, iron, and lithium. These minerals promote clarity and luminosity and reduce dullness after two weeks of use. These ocean minerals have a soothing and remineralizing effect, bringing more magnesium, potassium, and sodium to the skin.
- **Pseudoalteromonas ferment extract:** Produced via fermentation, this extract immediately reduces excess shine and provides an eight-hour mattifying effect on the skin. This sustainable marine extract is isolated from the glacial environment of the Antarctic Ocean. Over time, it works to reduce sebum accumulation, improving the overall appearance of oily and combination skin.
- **Ethically sourced bentonite clay:** This ingredient absorbs excess oil and impurities without stripping skin of excess moisture, leaving it matte and healthy looking. Before shaking the toner, you will see the bentonite settle to the bottom of the bottle, creating a dual-phase formula.
- **Malachite extract:** This semiprecious stone has a high copper content and is rich in antioxidants that help protect the skin from environmental stressors and premature aging. It also gives the toner its blue color.
- **Proprietary essential oil blend:** BALANCE by Young Living utilizes an exclusive blend of Lavender, Patchouli, Lemon Peel, and Rosemary essential oils formulated by Young Living Founder D. Gary Young to help support oily and blemish-prone skin.
