

Pink Champagne™ Foaming Hand Soap Concentrate

Product Size: 2 fl. oz. (60 mL)
Item No: 45278

Immerse yourself in the bubbly bliss of Pink Champagne Foaming Hand Soap! Inspired by our Simplified by Jacob + Kait™ Pink Champagne™ essential oil blend, this foaming hand soap captures the lively blend in every pump. Infused with the same blend of Grapefruit, Camphor, Jasmine, Ylang Ylang, and Cistus essential oils, this hand soap transforms routine hand washing into an affair to remember. Plus, this champagne-inspired soap's sparkle is sustainable! It arrives at your home as a concentrate that both pampers your hands and minimizes your footprint with its innovative and eco-conscious delivery method. Simply add the Pink Champagne concentrate to 6 ounces of water in our reusable foaming hand soap bottle and pump to celebrate clean hands and a cleaner planet.

DIRECTIONS

Empty concentrate into an 8-ounce (237 ml) foaming hand soap dispenser. Add 6 ounces (59 ml) water to dilute and shake gently to combine before use..

INGREDIENTS

Water, Decyl glucoside, *Citrus paradisi* (Grapefruit) peel oil† Disodium cocoyl glutamate, Gluconolactone, Sodium benzoate, Citric acid, *Cinnamomum camphora* (Camphor) wood oil†, Xanthan gum, *Citrus aurantium amara* (Bitter Orange) flower oil†, Glycerin, Calcium gluconate Phytic acid, *Jasminum officinale* (Jasmine) oil**, *Cananga odorata* (Ylang Ylang) flower oil†, *Cistus ladaniferus* oil† Ginkgo biloba leaf extract, *Camellia sinensis* leaf extract

† Premium essential oil

** Premium absolute

Break out the bubbly every time you wash your hands! With Pink Champagne™ Foaming Hand Soap's natural ingredients and sustainable delivery method, you can feel free to indulge your senses in this touch of luxury and sparkling freshness.

SUGGESTED USES

1. Empty the hand soap concentrate into the reusable foaming hand soap bottle, keeping the bottles in close contact.
2. Add water to the bottom of the bottle neck—1 part (2 ounces) concentrate refill to 3 parts (6 ounces) water.
3. Replace the dispenser pump.
4. Give it a good shake to get the party started!
