

# Thieves® Multipurpose Wipes

## FAQ

### **Q. What color are Thieves® Multipurpose Wipes?**

A. Thieves Multipurpose Wipes are white to off-white in color.

### **Q. How should the wipes be stored to prevent them from drying out?**

A. We encourage you to use the Young Living Wipes Dispenser for optimal storage of your wipes. To prevent the wipes from drying out, they should be stored in a cool, dark place with the lid securely closed when not in use.

### **Q. Is this considered a vegetarian and/or vegan-friendly product?**

A. Yes, Thieves Multipurpose Wipes are considered both vegetarian and vegan friendly.

### **Q. Is gluten present in any of the wipes' ingredients?**

A. There are no gluten-containing ingredients used in the formulation of Thieves Multipurpose Wipes. This product may be manufactured in a facility that uses gluten in other product formulations; however, please rest assured that according to CGMPs (current good manufacturing practices) the machinery is cleansed and sanitized between productions to prevent contamination. If you have additional concerns about using this product, we encourage you to speak to your health care provider.

### **Q. Are corn-derived ingredients used in Thieves Multipurpose Wipes?**

A. Yes, the decyl glucoside used in this product is partially derived from non-GMO corn. If you have additional concerns about using this product, we encourage you to speak to your health care provider.

### **Q. Are soy-derived ingredients used in Thieves Multipurpose Wipes?**

A. There are no soy-derived ingredients used in the formulation of this product. Thieves Multipurpose Wipes may be manufactured in a facility that uses soy in other product formulations; however, please rest assured that according to CGMPs (current good manufacturing practices), the machinery is cleansed and sanitized between products to prevent contamination. If you have additional concerns about using this product, we encourage you to speak to your health care provider.

### **Q. Are palm/coconut-derived ingredients used in the product formula?**

A. Yes, the decyl glucoside, polyglyceryl-6 caprylate, and polyglyceryl-4 caprate are derived from palm. If you have additional concerns about using this product, we encourage you to speak to your health care provider.

### **Q. Are tree nut-derived ingredients used in the product formula?**

A. There are no tree nut-derived ingredients used in the formulation of this product. Thieves Multipurpose Wipes may be manufactured in a facility that uses tree nuts in other product formulations; however, please rest assured that according to CGMPs (current good manufacturing practices), the machinery is cleansed and sanitized between products to prevent contamination. If you have additional concerns about using this product, we encourage you to speak to your health care provider.

### **Q. Are sesame-derived ingredients used in Thieves Multipurpose Wipes?**

A. There are no sesame-derived ingredients used in the formulation of this product. Thieves Multipurpose Wipes may be manufactured in a facility that uses sesame in other product formulations; however, please rest assured that according to CGMP (current good manufacturing practices) the machinery is cleansed and sanitized between productions to prevent contamination. If you have additional concerns about using this product, we encourage you to speak to your health care provider.

**Q. Are companion products available?**

A. Yes, the Thieves Multipurpose Wipes require a dispenser for proper use. Please use the Thieves Multipurpose Wipes with the Wipes Dispenser (Item No.46517) for an easy, sustainable cleaning experience that looks beautiful on your counter too!

**Q. What essential oils are used in the formulation of Thieves Multipurpose Wipes?**

A. Thieves Multipurpose Wipes include Lemon Myrtle, as well as Clove bud oil, Lemon peel oil, Cinnamon bark oil, Eucalyptus Radiata leaf oil, and Rosemary leaf oil.

**Q. What is the predominant scent of the Thieves Multipurpose Wipes?**

A. Thieves Multipurpose Wipes feature a lemony-fresh scent, with Lemon Myrtle essential oil and Thieves essential oil blend.

**Q. How many wipes come in a package?**

A. There are 40 wipes per package.

**Q. Are the Thieves Multipurpose Wipes bags resealable?**

A. No, our Thieves Multipurpose Wipes are not sold in resealable bags. We encourage you to use Young Living's reusable Wipes Dispenser for optimal storage.

**Q. What are the dimensions of a single Thieves Multipurpose Wipe?**

A. Thieves Multipurpose Wipes are approximately 7 inches x 6 inches.

**Q. Does the dot pattern on the wipes serve a specific purpose?**

A. The dots should provide some scrubbing action while also setting our Thieves Multipurpose Wipes apart from other options available on the market.

**Q. Will Thieves Multipurpose Wipes be replacing Thieves® Hand Sanitizing Wipes or the standard Thieves® Wipes?**

A. Yes, we have retired the Thieves Hand Sanitizing Wipes and standard Thieves Wipes from our product line. The Thieves Multipurpose Wipes are a great replacement for either product. They are effective at cleaning a variety of surfaces yet safe and gentle enough to use on the skin.

**Q. Have Thieves Multipurpose Wipes been tested on various surfaces for safety?**

A. The wipes have been tested on plastic, sealed and unsealed granite, marble, aluminum, stainless steel, and ceramic and were found to produce no negative reactions. We still encourage you to perform a spot test if you have any concerns regarding the use of this product on your surface.
