

# Thieves® Kitchen & Bath Scrub

**Item No:** 44621

**Product Size:** 14 oz. (397 g)

Thieves Kitchen & Bath Scrub gives you the power of a surface scrub free of harmful chemical smells and residue. Thieves Kitchen & Bath Scrub gains its tough scrubbing power from nepheline syenite, a mineral we obtain from responsibly mined sources in Ontario, Canada; baking soda that gently absorbs odors; sodium percarbonate that releases oxygen when combined with water, providing a powerful boost of cleaning power against tough stains; and Young Living's signature Thieves blend. Designed for use on multiple surfaces, Thieves Kitchen & Bath Scrub is your new naturally derived cleaner: tough on messes and safe for your family.

## DIRECTIONS / HOW TO USE

Sprinkle Thieves Kitchen & Bath Scrub onto a wet surface or sponge. Rub the surface with a cloth or sponge for a sparkling clean, then rinse. Note: Thieves Kitchen & Bath Scrub is a mildly abrasive cleaner. Do not use it on surfaces that the manufacturer states should not be cleaned with abrasive cleaners. Always test a small hidden area first. Do not use on windows, mirrors, polished stone, or surfaces that are lacquered or painted. When cleaning brushed-metal surfaces, always rub in the direction of the brush lines. It is not intended for use on brushed/polished stainless steel appliances.

Thieves® Kitchen & Bath Scrub is a natural, mineral-based formula that tackles tough messes such as built-up grease, dirt, and residue—without the synthetic shortcut of chlorine or other harsh chemicals, keeping it gentle for surfaces used by the whole family.

## BENEFITS AND FEATURES

- Chlorine-free, all-purpose cleaner that's safe for porcelain, ceramic, copper alloys, fiberglass, Corian, brass, bronze, and chrome
- Easily cleans cookware, stove cooktops, countertops, tile, grout, bathtubs, faucets, toilets, backsplashes, barbecue grills, outdoor patio furniture, and exteriors without scratching
- Formulated without harmful chemicals, synthetic surfactants, phosphates, synthetic perfumes or dyes, gluten-containing ingredients, or artificial colors or fragrances

## SUGGESTED USES

- Use it to naturally tackle soap scum, built-up grease and grime, and hard-water stains in the kitchen and bathroom
- Keep it on hand for cleaning grills and barbecues after picnics
