Lightly spray your makeup brush before applying powder for a silkier appearance. With the signature aroma of our misting spray, you'll step into your day looking flawless and feeling confident.

KEY INGREDIENTS

Aloe, Cedarwood essential oil, Geranium essential oil, Lavender essential oil and Rose essential oil

EXPERIENCE

Savvy Minerals by Young Living® Misting Spray helps with mineral powder application. Moisten an applicator brush before applying powder for even, thorough and silky coverage. This product has a light, uplifting fragrance with hints of Lavender, Cedarwood and Rose.

PRODUCT BACKGROUND

Savvy Minerals by Young Living® was created to help you feel confident without compromise. We believe in empowering women to stand out in their own unique, natural beauty, while using products with quality, purity and safety as the ultimate goal. Our misting spray is infused with essential oils such as Geranium and Rose for their skin benefits and an aroma that inspires confidence.

DIRECTIONS

Spray 2-3 pumps of misting spray onto a makeup brush and gently wipe off any excess moisture. Pick up mineral makeup using the brush. Apply mineral makeup to your face in desired area and reapply as needed.

CAUTION

Keep out of reach of children. For external use only.
