For every place that matters

At dormakaba Australia, we provide integrated access solutions to create safe, secure, and sustainable environments. From door hardware and entrance systems to electronic access, key systems, and interior glass solutions, our products seamlessly integrate into building ecosystems. Serving diverse sectors like hospitality, healthcare, commercial offices, and multi-housing, we are the preferred partner for reliable, innovative access solutions. Part of the global dormakaba Group, we bring over 160 years of expertise to enhance the flow of people and sustainability in built environments.

DIGITAL KEYS				
	9400000012830	DIGITAL KEY VOUCHER Important notes on handling digital keys: • Digital keys can only be downloaded to a cell phone once (when changing phones, the digital key cannot be taken over, when uninstalling, the key is removed) • There can only be one digital key per cell phone (KEM/evolo smart). If another key is read and confirmed, the previous one is deleted. This can lead to the fact that possible doors can then no longer be opened. • dormakaba takes no liability for incorrect handling or loss of the digital key Product information Electronic Access and Data • Digital keys cannot be removed manually. Authorization changes must be made to the access component. Note: Alternatively users can purchase digital keys as a In app. Prices below	○	\$11.15
		IN APP PURCHASE OF 1 KEY		\$7.99
		IN APP PURCHASE OF 5 KEYS		\$35.99
		IN APP PURCHASE OF 10 KEYS		\$64.99
		IN APP PURCHASE OF 20 KEYS		\$109.99
		IN APP PURCHASE OF DOOR EVENTS		\$14.99

DIGITAL KEYS				
	9400000012830	DIGITAL KEY VOUCHER Important notes on handling digital keys: - Digital keys can only be downloaded to a cell phone once (when changing phones, the digital key cannot be taken over, when uninstalling, the key is removed) - There can only be one digital key per cell phone (KEM/evolo smart). If another key is read and confirmed, the previous one is deleted. This can lead to the fact that possible doors can then no longer be opened. - dormakaba takes no liability for incorrect handling or loss of the digital key Product information Electronic Access and Data - Digital keys cannot be removed manually. Authorization changes must be made to the access component. Note: Alternatively users can purchase digital keys as a In app. Prices below	○	\$11.15

Our Sustainability Commitment

We are committed to fostering sustainable practices along our entire value chain in line with our economic, environmental and social responsibilities now and into the future. We seek to engage in open and transparent dialogue with all our stakeholders to develop strategies and actions based on clear targets and a continuous improvement approach, we will also actively report on our progress.
