

Subscribe to the Pack 905 calendar

Keep pack and den events synchronized with your family schedule.

Before you begin

Open the Pack 905 calendar in Scoutbook and copy its ICS/iCal subscription URL.
If your den has a separate calendar, copy that subscription URL as well.

Choose Subscribe, not Import

A subscription receives future changes automatically; an imported file is only a one-time copy.

iPhone and iPad

1

Open Calendar settings

Open Settings, select Apps, and choose Calendar.

2

Add a calendar account

Select Calendar Accounts, Add Account, and then Other.

3

Paste the subscription URL

Choose Add Subscribed Calendar and paste the Pack 905 ICS/iCal link.

4

Review and save

Optionally rename the calendar or choose a color, then select Save.

Android and Google Calendar

1. Open Google Calendar on the web

Sign in using the Google account connected to your Android device.

2. Find Other calendars

Select the plus sign next to Other calendars and choose From URL.

3. Add the Pack 905 URL

Paste the ICS/iCal link and select Add calendar.

Need help?

Contact a Pack 905 leader if the steps on your device look different.
