

CELEBRATE SCIENCE!

Explore, experiment, celebrate

OVERVIEW

Let the Science Museum make your event a science celebration with some of our favorite hands-on activity stations. These experiments allow **kids and adults to work together** to explore, experiment, and have fun!

Our base science celebration event includes hands-on stations for up to **150 children and adults, for 90 minutes**. (We can also double the event size for up to 300 people, for more exploration fun!)

PRICING

Group size: 10-150

Event time: 90 min

Price: \$600

The length or the capacity of the event can be increased for an additional cost.

FREE PRE-K ADD-ON!

While most of our stations are appropriate for K-5 audiences, you can also add on a special general science area for your youngest learners at no additional cost, thanks to our partners at PNC!

RECOMMENDED STATIONS

These stations are what we'd recommend for an average Celebrate Science event. We're happy to discuss other available stations to best meet the needs of your theme, space, or attendees!

Wind Tubes

Let your creativity take flight in one of our portable wind tubes!

[Serves 25-50 participants, grades K-5](#)
[Engineering, forces and motion, math](#)

Bridge Builders

Build a bridge over the river with only water to stick the blocks together!

[Serves 25-50 participants, grades K-5](#)
[Engineering, forces and motion, math](#)

Creative Building

Free build with keva planks to take your imagination to new heights!

[Serves 25-50 participants, grades K-5](#)
[Engineering, forces and motion, math](#)

Flinkers

Flink = float + sink! Make your flinker hover in the middle of a water column.

[Serves 10-15 participants, grades 3-5](#)
[Engineering, forces and motion, math](#)

Crane Game

Try different mechanical arms to pull up shapes. What works best?

[Serves 10-15 participants, grades K-5](#)
[Engineering, math, creativity](#)

Magnets

Try a magnet maze, make magnets float, and see what you can do with a magnet magic wand.

[Serves 10-15 participants, grades K-5](#)
[Forces and motion, magnetism](#)
