

# Miro Global Partner Day

Monday May 18 2026 - San Francisco

Join 150+ partners and Miro's leadership team for a full day of enablement, strategy, and connection – the day before Canvas 26.

Walk away with the platform insights, GTM playbooks, and executive relationships to grow with Miro – whether you're building on our platform or selling alongside us.

Register at [canvas.miro.com/sanfrancisco](https://canvas.miro.com/sanfrancisco) and at the first question select "I'm a Miro Partner"

## Why attend:

- 1 Ecosystem vision**  
Hear directly from Miro's CEO and leadership on what's coming – including a Canvas 26 keynote preview and the 2026 Miro Partner Program Vision and Roadmap
- 2 Platform & Product Roadmap**  
Get direct access to Miro's AI platform direction, integration strategy, and newest capabilities – from the product and engineering teams building them.
- 3 Partner Community & AI Thought Leadership**  
Hear from partners at the forefront of AI transformation on how they're reshaping their businesses – then connect with solution and tech partners across the ecosystem to explore how you can grow together.

## Who should attend:

### Partner Leaders

Executive strategy sessions, regional roundtables, and direct access to Miro's leadership team.

### Practitioners & Consultants

Hands-on solution sessions, customer workflow case studies, and services enablement.

### Tech Partners

Dedicated sessions on Miro's AI platform, integration roadmap, and co-building opportunities within the ecosystem.
