

## Learning Outcomes

**Domain:**

Language

**Skills:**

Enjoying literacy

**Indicator:**

Showing pleasure and enjoyment during activities with language, music and print materials

## Playful Questions

- What's your favorite ice cream flavor?
- When does my family eat ice cream?
- What's the weirdest flavor of ice cream you have ever tried?
- How do you like to have your ice cream?

# An Ice Cream Story

Strawberry, mango,  
In a cup or cone.  
There are so many flavours  
You can choose from.

There is nothing better:  
Ice cream on the beach  
Watermelon or grape,  
Cotton candy or peach.

Vanilla or chocolate,  
Pistachio or rose.  
Are there any flavours  
That you would oppose?

Strawberry cheesecake  
Is truly amazing.  
I love all of them  
Except for the Raisin

Maybe, perhaps  
You prefer to go wild.  
Cilantro or cheese  
That's a brave choice, child.

As a treat or reward  
For such good behaviour  
Would you share with me  
What's your favorite flavor?
