

Color Scavenger Hunt

Send the kiddos on a fun adventure outside or throughout your home! Children will burn off their energy while eagerly searching for all of the surprises that match the colors in the included sheet.

Learning Outcomes

Domain:

Cognitive

Skills:

Classifying

Indicator:

Finding items by color
Sorting items into groups

Materials

- Printable scavenger hunt sheet

Instructions

Step 1: Print out the scavenger hunt sheet PDF document.

Step 2: Choose a secure location to conduct the activity.

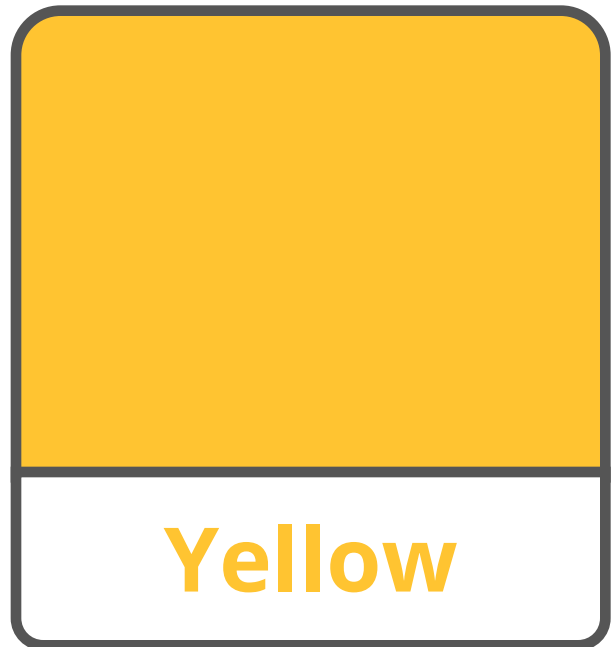

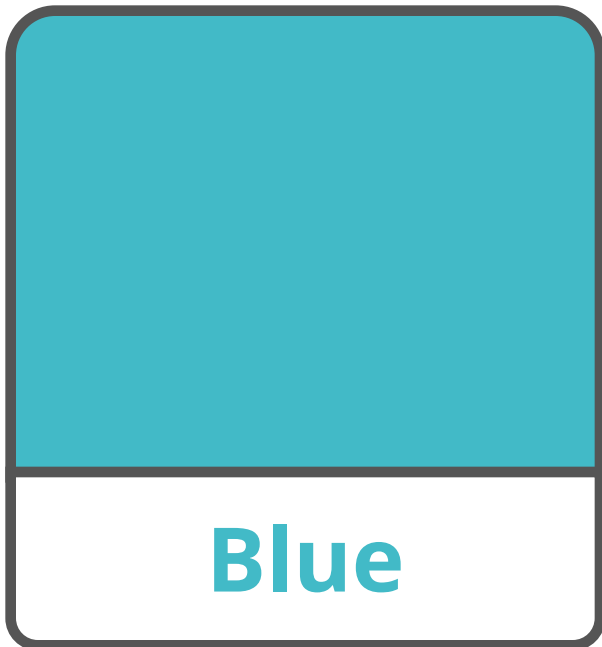

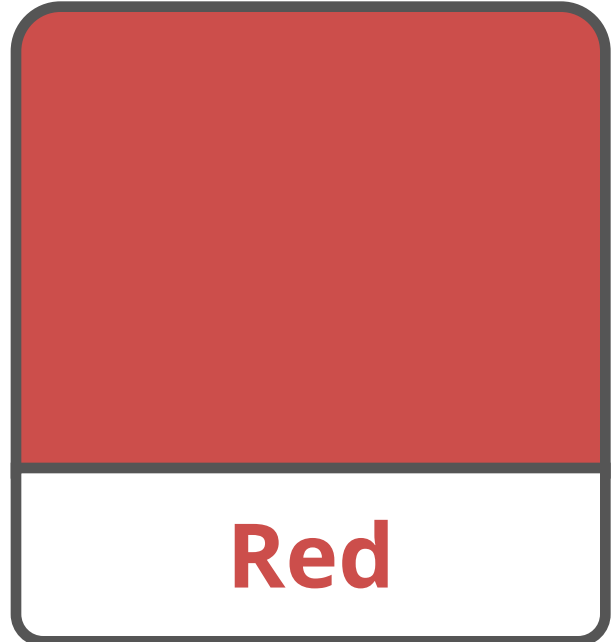

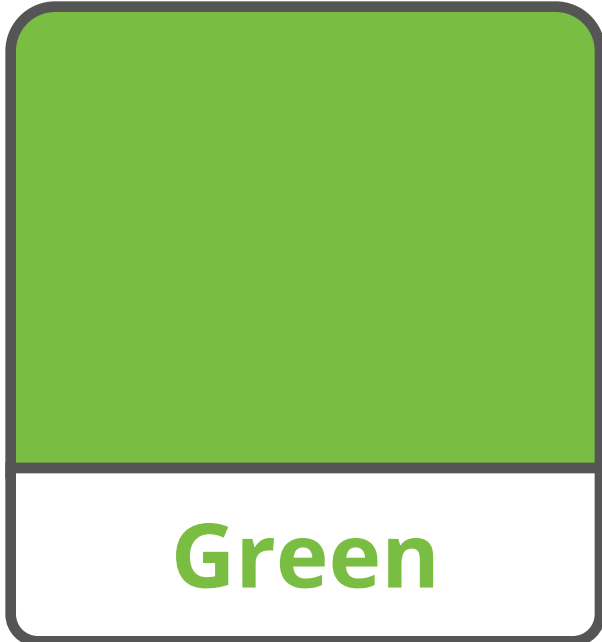

Step 3: Explore the environment and have the child find each object that matches each color swatches that they are holding.

Extend this activity! Once the hunt is over, explore each object beyond their colors to discuss what they are used for, organize them by texture (fuzzy/hard/soft), and anything else you can think of!

Playful Questions

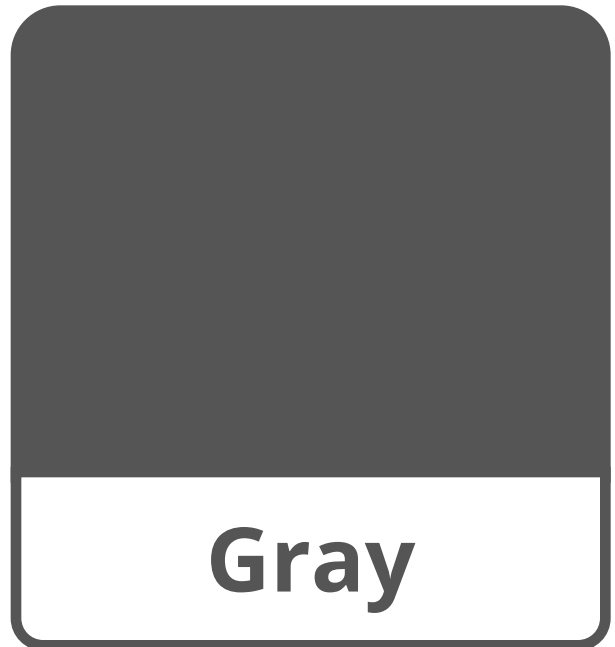

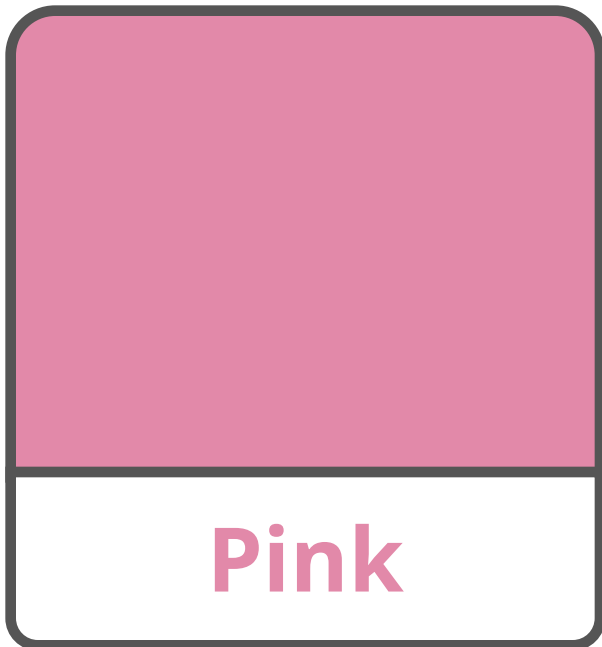

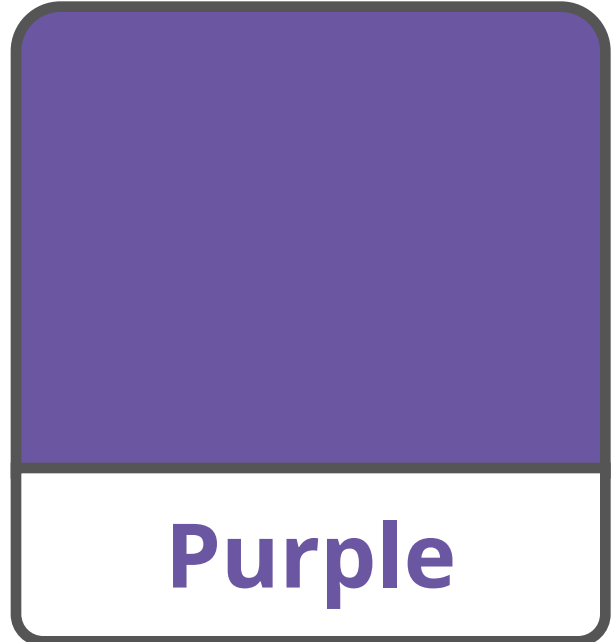

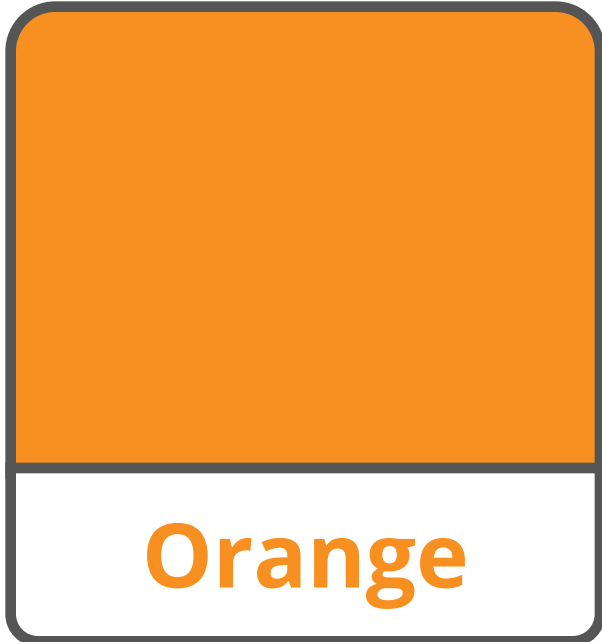

- What color was the easiest to find?
- What color was the hardest to find?
- How many (insert color here) objects do you think we can find?
- What is your favorite color?
- Can you put all of the soft items that we found in one pile?
