

## RECRUITING FOR ORIENTEED SPAIN

### Senior React Developer (Full remote)

## Senior React Developer (Full Remote)

### DESCRIPTION

We are experts in e-commerce who work at an international level and guide brands towards their digital transformation, incorporating innovative technologies of leading platforms in the market.

We are looking for a Senior React Developer to join our team and play a key role in technical e-commerce development projects. One of the projects you will be involved in is an international e-commerce for a multinational company in the luxury fashion retail sector, developed in React and NextJS with a Headless architecture.

#### MAIN TASKS:

- Development and integration of React JS / NextJS components and services
- Compilation of information and analysis of the projects to be developed, including requirements gathering and project kick-off
- Tests development for the established components
- Development of documentation
- Resolution of incidences, requests and queries
- Estimation and reporting of required effort to team members and the Project Manager
- Adherence to quality and organization control standards of Orienteed and our clients

## Senior React Developer (Full Remote)

### MAIN REQUIREMENTS

#### Essential:

- ★ At least 3 years of experience in the implementation of headless web architectures with React as the front-end
- ★ Professional experience with NextJS, JavaScript, HTML and CSS
- ★ Knowledge in Redux
- ★ English: high level

#### Desirable:

- ★ Knowledge in NextJS v13
- ★ Experience in e-commerce
- ★ Experience working with Scrum methodology
- ★ Italian: intermediate / high-level

## Senior React Developer (Full Remote)

### WHAT WE OFFER

- Comprehensive technical training in leading e-commerce platforms in the market
- Company-sponsored technical certifications
- Flexible working hours
- Total or partial remote work, according to your needs
- Flexible payment plan which includes: medical care, meal pass, transport pass and nursery pass
- Team Building events
- Full-time
- Immediate incorporation
- We offer the possibility of an indefinite contract or a collaboration as a freelancer, according to your needs
- Excellent work environment
- If you would like to work from the office, we have a large and comfortable space with sea views, in the centre of Coruña
