ADDENDUM TO VARO BANK ACCOUNT AGREEMENT

TERMS AND CONDITIONS OF THE ZELLE® AND OTHER PAYMENT SERVICES

EFFECTIVE OCTOBER 13, 2022

PLEASE READ THIS DOCUMENT CAREFULLY

The Zelle® and Other Payment Services are being added to your demand deposit account (your "Varo Bank Account") with Varo Bank, N.A., a national association ("Varo Bank" or the "Bank" or "we" or "us"). This Addendum (the "Addendum") sets forth the terms & conditions for use of the Zelle® and Other Payment Services (as defined below) offered through our online banking site or mobile applications (the "Site"). By opting in to use the Zelle® and Other Payment Services, you are agreeing to the terms and conditions of this Addendum, and that this Addendum shall become part of the Varo Bank Account Agreement and is incorporated therein. You further acknowledge that the Varo Bank Account Agreement (including the Telephone Use Agreement and Disclosures and Varo Bank U.S. Online and Mobile Privacy Policy) shall continue to apply to your Varo Bank Account except as specifically provided for in this Addendum. In the event of a conflict between the Varo Bank Account Agreement and this Addendum with respect to the Zelle® and Other Payment Services, the terms and conditions of this Addendum shall apply. Terms are defined at the end of this Addendum.

Please read this carefully and retain it for future reference. This Addendum is revised periodically and may include changes from earlier versions. This Addendum is in addition to and incorporates by reference, as if set forth in full herein, the Varo Bank Account Agreement.

By acknowledging this Addendum and/or by participating in the Zelle® and Other Payment Services in any way, you are agreeing to all of the terms and conditions in this Addendum.

1. Description of Zelle® and Other Payment Services.

   a. We have partnered with the Zelle Network® ("Zelle") to enable a convenient way to transfer money between you and other Users using aliases, such as email addresses or mobile phone numbers ("Zelle® Payment Service," as further described below). Zelle® provides no deposit account or other financial services. Zelle® neither transfers nor moves money. You may not establish a financial account with Zelle® of any kind. All money will be transmitted by a Network Financial Institution. THE ZELLE® AND OTHER PAYMENT SERVICES ARE INTENDED TO SEND MONEY TO FRIENDS, FAMILY AND OTHERS YOU TRUST. YOU SHOULD NOT USE THE ZELLE® AND OTHER PAYMENT SERVICE TO SEND MONEY TO RECIPIENTS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST.

   b. In addition to the Zelle® Payment Service, we provide other payment services ("Other Payment Services") under this Addendum through the Site, which are comprised of the following 3 services: First, the Other Payment Services allow you to send money to people if you provide the Eligible Transaction Account information and other contact information for the payment recipient; such transactions are not sent via Zelle®. Second, outside Zelle®, we allow you to establish a one-time payment for a payment recipient for which processing shall be initiated at a later specified date up to one (1) year. Third, outside Zelle®, we enable you to establish a recurring series of payments to a payment recipient for which processing shall be initiated on dates you specify. Although future-dated payments and recurring payments are outside Zelle®, we may ultimately send those transactions via Zelle® when the applicable date of payment arrives, in which case the applicable payment transaction is part of the Zelle® Payment Service, not the Other Payment Services. The term "Zelle® and Other Payment Services" means the Zelle® Payment Service and the Other Payment Services.

   c. The Zelle® and Other Payment Services enable you: (1) to initiate a Payment Instruction from an Eligible Transaction Account to an account at a U.S. financial institution; and/or (2) to receive a payment from another person into an Eligible Transaction Account, in U.S. dollars. All payments
must be made through the Site and are subject to the terms of this Addendum and applicable laws and regulations, in each case as in effect from time to time. Receipt of payments may be made through the Site and is subject to the terms of this Addendum and applicable laws and regulations, in each case as in effect from time to time. In some instances, receipt of payments may be made through other locations besides our Site, such as the Zelle® mobile handset application (“Zelle® Standalone Locations”) and if you choose to initiate or receive a payment at a Zelle® Standalone Location you acknowledge and agree that you shall be subject to the terms of other Addendums, including, but not limited to, the "terms of use" for the Zelle® Standalone Locations and applicable laws and regulations, in each case as in effect from time to time. Subject to the terms of this Addendum, the Zelle® and Other Payment Services are generally available 24 hours, seven days a week with the exception of outages for maintenance and circumstances beyond our or Zelle®’s control. Live customer service generally will be available Monday through Friday, excluding US financial institution holidays.

d. The Zelle® Payment Service allows for the delivery of payments to Receivers who are also enrolled in the Zelle® Payment Service through a Payment Network designed to deliver payments on the same day and potentially within minutes, although actual speed will vary, as described below. The Zelle® and Other Payment Services are not instantaneous. Payment delivery speed may vary based upon the fraud, risk and other funds availability policies of each financial institution and Payment Network availability. We are not responsible for the performance, speed, or other acts or omissions of the Payment Networks that may be involved in the transmission of a payment. We shall not be obligated to comply with the Automated Clearinghouse (ACH) Rules in such recovery efforts or otherwise in connection with Zelle® and Other Payments unless the applicable transaction is transmitted through the ACH network. We are only responsible for delivery of the applicable Payment Instructions to the applicable Payment Network in the format required by the applicable Payment Network’s specifications.

2. Payment Authorization and Payment Remittance.

a. When you enroll to use the Zelle® and Other Payment Services or when you permit others to whom you have delegated to act on your behalf to use or access the Zelle® and Other Payment Services, you agree to the terms and conditions of this Addendum. You represent that you have the authority to authorize debits and credits to the enrolled Varo Bank Account. In addition to the restrictions set forth in Section 19 (Prohibited Payments), you agree that you will not use the Zelle® and Other Payment Services to send money to anyone to whom you are obligated for tax payments, payments made pursuant to court orders (including court-ordered amounts for alimony or child support), fines, payments to loan sharks, gambling debts or payments otherwise prohibited by law, and you agree that you will not use the Zelle® and Other Payment Services to request money from anyone for any such payments. You agree that you will not authorize a third party to use the Zelle® and Other Payment Services or share your credentials with a third party to use the Zelle® and Other Payment Services on your behalf except in legally authorized situations such as legal guardianship or pursuant to a power of attorney.

b. This Section 2(b) does not apply to the Zelle® Small Business Service (to the extent made available by us). The Zelle® and Other Payment Services are intended for personal, not business or commercial use. You agree that you will not use the Zelle® and Other Payment Services to send or receive payments in connection with your business or commercial enterprise. We reserve the right to decline your enrollment if we believe that you are enrolling to use the Zelle® and Other Payment Services with your business account or to receive business or commercial payments. We further reserve the right to suspend or terminate your use of the Zelle® Payment Service if we believe that you are using the Zelle® and Other Payment Services for business or commercial purposes, or for any unlawful purpose.

c. To be eligible to enroll for the Zelle® and Other Payment Services, you represent that: (i) your Varo Bank Account is in good standing and does not have a negative balance; and (ii) you have the authority to authorize debits and credits to the enrolled Eligible Transaction Account you maintain with us. By using the Zelle® and Other Payment Services, you represent that you meet these
requirements and that you agree to be bound by this Addendum. You must provide us with an
email address that you regularly use and intend to use regularly (i.e., no disposable email
addresses) and a permanent mobile phone number that you intend to use for an extended period
of time (i.e., no “burner” numbers). You may not enroll in the Zelle® Payment Service with a
landline phone number, Google Voice number, or Voice over Internet Protocol number. Once
enrolled, you may: (i) authorize a debit of your Bank Account to send money to another User
either at your initiation or at the request of that User; and (ii) receive money from another User
either at that User’s initiation or at your request, subject to the conditions of the Section below
titled “Requesting Payments.” If at any time while you are enrolled, you do not send or receive
money using the Zelle® Payment Service for a period of 18 consecutive months, then you
understand that we may cancel your enrollment and you will not be able to send or receive
money with the Zelle® Payment Service until you enroll again. Once enrolled, a Z logo will appear on your
profile picture for each U.S. mobile number and/or email address that you have enrolled with
Zelle®. The Z logo will be displayed to other Users to aid them in determining which of your U.S
mobile numbers or email addresses should be used to send money with Zelle®. If a User sends
you money using a different U.S. mobile number or email address that they may have for you (one
that is not already enrolled), you will receive a message with instructions on how to enroll with
Zelle®.

d. When you enroll with Zelle®, you may establish one or more profiles. Each profile may be linked to
only one bank account, but you may enroll multiple email addresses or mobile phone numbers in
each profile. Once you have enrolled an email address or a mobile phone number with a profile,
you may not use that same email address or phone number with any other profile. By providing us
with names and mobile telephone numbers and/or email addresses of Receivers to whom you
wish to direct payments, you authorize us to follow the Payment Instructions that we receive
through the Zelle® Payment Service. By providing us with names, bank account information and
other contact information for Receivers to whom you wish to direct a payment via the Other
Payment Service, you authorize us to follow the Payment Instructions that we receive via the
Other Payment Services. Once enrolled, you authorize us to credit your Eligible Transaction
Account for payments remitted to you on behalf of a Sender without further approval from you.

e. When we receive a Payment Instruction from you, you authorize us to debit your Eligible
Transaction Account for the amount of any such Payment Instruction plus any related fees in
effect (and as disclosed on the Site) at the time you initiate the Payment Instruction, and to remit
funds on your behalf. You acknowledge and agree that any applicable fees will be charged when
we receive a Payment Instruction from you, regardless of whether the Payment Instruction is
ultimately completed. You also authorize us to credit your Eligible Transaction Account for the
receipt of payments, including but not limited to those payments returned to us from Receivers to
whom you sent payment(s) and those payments that were cancelled and returned to you because
the processing of the Payment Instruction could not be completed.

f. You agree that we will not be liable in any way for any payments that you may receive, regardless
of whether you authorized the Sender to send them to you.

g. We will use reasonable efforts to complete all your Payment Instructions properly. However, we
shall incur no liability if we are unable to complete any transaction because of the existence of any
one or more of the following circumstances:

1. If, through no fault of ours, the Eligible Transaction Account does not contain sufficient
funds to complete the Payment Instruction or the Payment Instruction would exceed the
credit limit of your overdraft account;

2. The Zelle® and Other Payment Services are not working properly and you know or have
been advised by us about the malfunction before you execute the Payment Instruction;

3. The payment is refused as described in Section 6 (Payment Cancellation, Stop Payment
Requests and Refused Payments) below;

4. You have not provided us with the correct information, including but not limited to the
correct Payment Instructions or Eligible Transaction Account information, or the correct
name and address or mobile phone number of the Receiver to whom you are initiating a Payment Instruction; and/or,

5. Circumstances beyond our control (such as, but not limited to, fire, flood, network or system down time, issues with the financial institution, or interference from an outside force) prevent the proper execution of the Payment Instruction.

h. It is the responsibility of the Sender and the Receiver to ensure the accuracy of any information that they enter into the Zelle® and Other Payment Services (including but not limited to the Payment Instructions and name, telephone number and/or email address for the Receiver to whom you are attempting to send a payment), and for informing us as soon as possible if they become aware that this information is inaccurate. We will make a reasonable effort to stop or recover a payment made to the wrong person or entity once informed, but we do not guarantee such stoppage or recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by the Sender or Receiver.

3. Sending Payments.

a. You may send money to another User at your initiation or in response to that User’s request for money. You understand that use of the Zelle® and Other Payment Services by you shall at all times be subject to (i) this Addendum, and (ii) your express authorization at the time of the transaction for us or another Network Financial Institution to initiate a debit entry to your bank account. You understand that when you send the payment, you will have no ability to stop it. When a Sender initiates a Payment Instruction, the Receiver is not required to accept the payment if the Receiver has not enrolled in Zelle®. You agree that you as a Sender will not hold us liable for any damages resulting from a Receiver’s decision to not enroll in Zelle®. For the Zelle® Payment Service, you may only cancel a payment if the person to whom you sent the money has not yet enrolled in the Zelle® Payment Service. As to the Zelle® Payment Service, if the person you sent money to has already enrolled with Zelle®, either in the Zelle® Standalone Locations or with a Network Financial Institution, then the money is sent directly to their bank account (except as otherwise provided below) and may not be canceled or revoked. Cancellation is addressed more generally in Section 6 (Payment Cancellation, Stop Payment Requests and Refused Payments) below. You may initiate a one-time Payment Instruction to a Receiver for which processing shall be initiated immediately via Zelle®. Via the Other Payment Services, you may also initiate (a) a one-time Payment Instruction to a Receiver for which processing shall be initiated at a later specified date up to one (1) year, and (b) a recurring series of Payment Instructions to a Receiver for which processing shall be initiated on the specified dates. Further details about each of these options can be found on the Site.

b. Payment Instructions initiated to Receivers require you to provide contact information about the Receiver (including an email address and/or mobile telephone number). If the Receiver does not bank at a Network Financial Institution and has not yet enrolled in Zelle®, then the Zelle® Payment Service will contact the Receiver and request that the Receiver (i) provide information so that the identity of the Receiver may be validated at a Zelle® Standalone Location and then (ii) provide Eligible Transaction Account information in order to complete the Payment Instruction (a “Two-Step Transfer”). If the Receiver maintains an Eligible Transaction Account with a Network Financial Institution and has not yet enrolled in Zelle®, then the Zelle® Payment Service will contact the Receiver regarding enrollment in Zelle® and receipt of payment. If the Receiver has already enrolled in Zelle®, then the Receiver will receive a message regarding your payment.

c. Via the Other Payment Services, we also support the sending of money to Receivers if you provide the Eligible Transaction Account information for the Receiver and other contact information for the Receiver; such transactions are not sent via Zelle®. You acknowledge and agree that if your Payment Instructions identify an account by name and account number, the relevant financial institution may execute those Payment Instructions by reference to the account number only, even if such account number does not correspond to the account name. You further acknowledge and agree that financial institutions holding the account may choose to not investigate discrepancies between account names and account numbers. We have no
responsibility to investigate discrepancies between account names and account numbers, outside of our obligations under the law to investigate errors, described below in Section 26 (Errors, Questions, and Complaints).

d. In most cases, when you are sending money to another User using the Zelle® Payment Service, the transfer will occur in minutes; however, there are circumstances when the payment may take longer. For example, in order to protect you, us, Zelle® and the other Network Financial Institutions, we may need additional time to verify your identity or the identity of the person receiving the money. If you are sending money to someone who has not enrolled as a User with Zelle®, either via a Zelle® Standalone Location or a Network Financial Institution, they will receive a text or email notification instructing them on how to enroll to receive the money. You understand and acknowledge that a person to whom you are sending money and who is not enrolling as a User may fail to enroll with Zelle®, or otherwise ignore the payment notification, and the transfer may not occur. The money may also be delayed or the transfer may be blocked to prevent fraud or comply with regulatory requirements. If we delay or block a payment that you have initiated, we will notify you in accordance with your User preferences (i.e. email, push notification). We have no control over the actions of other Users, other Network Financial Institutions or other financial institutions that could delay or prevent your money from being delivered to the intended User.

e. For the Other Payment Services and those Zelle® Payment Service payments where the Site indicates payment will require more than a Business Day, you understand and agree that when you initiate a Payment Instruction from an Eligible Transaction Account, the processing of the Payment Instruction will begin and the debiting of your Eligible Transaction Account will occur as early as the day of such initiation. However, you and the Receiver should not expect the payment funds to be transferred into the Receiver’s Eligible Transaction Account any earlier than the next Business Day after you initiated the Payment Instruction. As part of the Other Payment Services, if you request a one-time Payment Instruction to be initiated on a specified date or a recurring series of Payment Instruction to be initiated on specified dates, then the processing of the Payment Instruction will begin on the specified date and the debiting of your Eligible Transaction Account will occur as early as the specified date(s). However, you and the Receiver should not expect the payment funds to be transferred into the Receiver’s Eligible Transaction Account any earlier than the next Business Day following the specified date. In addition, in the case of all Two-Step Transfers, the deposit of the payment funds into the Receiver’s Eligible Transaction Account (even if debited or withdrawn from your Eligible Transaction Account) may be delayed if the Receiver has not enrolled in Zelle®. The Site may contain additional information regarding the delivery of a payment to an Eligible Transaction Account.

f. As to Recipients who have not yet enrolled with Zelle®, you acknowledge and agree that we will begin to process the requested transfer of funds once the Receiver has provided (or we otherwise obtain) all required information, and you hereby authorize and direct us to retain such funds until the earlier of such time as the Receiver has provided (or we otherwise obtain) all required information or fourteen (14) days have elapsed. You further acknowledge and agree that our receipt of money to be transmitted to a Receiver shall not be deemed to have occurred and our obligation to complete a Payment Instruction shall not begin until such time as the Receiver provides us with (or we otherwise obtain) all required information necessary to process the related Payment Instruction in accordance with this Addendum.

4. Receiving Payments.

a. All transfers of money to you shall be performed by a Network Financial Institution per the direction of that Network Financial Institution customer and at all times subject to the terms and conditions of the relevant service Addendum between that Network Financial Institution and its customer, including without limitation any restrictions or prohibitions on permissible transactions. Once a User initiates a transfer of money to your email address, mobile phone number, or Zelle® tag enrolled with the Zelle® Payment Service, you have no ability to stop the transfer. Other Payment Services payments may be canceled by the Sender as set forth in Section 6 (Payment Cancellation, Stop Payment Requests and Refused Payments) below. By using the Zelle®
Payment Service, you agree and authorize us to initiate credit entries to the bank account you have enrolled. If another person wants to initiate a Payment Instruction (including in response to a Zelle® Payment Request, if applicable) using the Zelle® Payment Service to an Eligible Transaction Account you hold or, as applicable, if you as a Requestor want to initiate a Zelle® Payment Request, he, she or you can do that from the Site or from an Eligible Transaction Account at a financial institution that participates in the Zelle® Payment Service or at a Zelle® Standalone Location. If you are receiving a payment from a business or government agency, your payment will be delivered in accordance with both this Addendum and the procedures of the business or government agency that is sending you the payment.

b. For the Zelle® Payment Service, most transfers of money to you from other Users will occur within minutes. There may be other circumstances when the payment may take longer. For example, in order to protect you, us, Zelle® and the other Network Financial Institutions, we may need or Zelle® may need additional time to verify your identity or the identity of the person sending the money. We may also delay or block the transfer to prevent fraud or to meet our regulatory obligations. If we delay or block a payment that you have initiated through a request for money, we will notify you in accordance with your User preferences (i.e. email, push notification). You understand and agree that there may be a delay between the time you are notified of the pending Payment Instruction and the deposit of the payment funds into your Eligible Transaction Account, and you may be required to take additional steps to facilitate the deposit of the payment funds into your Eligible Transaction Account, such as if we have questions regarding possible fraud in connection with the payment. You authorize the Sender, the financial institution which holds the Sender's Eligible Transaction Account and us (including through the Site) to send emails to you and text messages to your mobile phone in connection with the Sender's initiation of Payment Instructions to you, and, as a Receiver, you may receive Zelle® Payment Requests, from others through the Zelle® Payment Service.

c. You acknowledge and agree that in the event that funds are transferred into your Eligible Transaction Account as a result of a Payment Instruction and it is determined that such transfer was improper because it was not authorized by the sender, because there were not sufficient funds in the sender's account, or for any other reason, then you hereby authorize us or our Service Provider to withdraw from your Eligible Transaction Account an amount equal to the amount of funds improperly transferred to you.

5. Requesting Payments. You may request money from another User through a Zelle® Payment Request. You understand and acknowledge that Users to whom you send payment requests may reject or ignore your request. Neither we nor Zelle® guarantee that you will receive money from other Users by sending a Zelle® Payment Request, or that you will receive the amount that you request. Neither we nor Zelle® accept responsibility if the other User rejects or ignores your request, or sends you an amount that is less than you request. If a User ignores your request, we may decide or Zelle® may decide, in our sole discretion, that we will not send a reminder or repeat request to that User.

In addition to the other restrictions in this Addendum, by accepting this Addendum, you agree that you are not engaging in the business of debt collection by attempting to use the Zelle® Payment Service to request money for the payment or collection of an overdue or delinquent debt; to request money that is owed to another person; or to collect any amounts that are owed pursuant to a court order. You agree to indemnify, defend and hold harmless Zelle®, its owners, directors, officers agents and Network Financial Institutions from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorney's fees, resulting from or arising out of any Zelle® Payment Request that you send that is related to overdue or delinquent amounts. You agree to receive Zelle® Payment Requests from other Users, and to only send Zelle® Payment Requests for legitimate and lawful purposes. Zelle® Payment Requests are solely between the Requestor and recipient and are not reviewed or verified by us or by Zelle®. Neither we nor Zelle® assume responsibility for the accuracy or legality of such requests and do not act as a debt collector on your behalf or on behalf of the Requestor. We reserve the right, but assume no obligation, to terminate your ability to send Zelle®
Payment Requests in general, or to specific recipients, if we deem such Zelle® Payment Requests to be potentially unlawful, abusive, offensive or unwelcome by the recipient.

If applicable, if you as a Requestor initiate a Zelle® Payment Request using the Zelle® Payment Service, you acknowledge and agree that as disclosed on the Site (a) the applicable service fee will be deducted from payments received by you from a Sender(s), and (b) no service fee will be charged if you as the Requestor do not receive any payments from the individuals to whom the Zelle® Payment Request is sent. Further details about the foregoing can be found on the Site. You acknowledge and agree that individuals to whom you send a Zelle® Payment Request may not receive, or otherwise may reject or ignore, your Zelle® Payment Request. We do not guarantee that you will receive any payments from individuals by initiating a Zelle® Payment Request.

Zelle® Small Business Service Users may not send Zelle® Payment Requests to Users enrolled with Zelle® through Zelle® Standalone Locations.

6. Payment Cancellation, Stop Payment Requests and Refused Payments. This Section only applies to the Other Payment Services and those Zelle® Payment Services transactions that can be canceled in the limited circumstances set forth in Section 3(a) (Sending Payments) above. Sender may cancel the initiation of a Payment Instruction or stop a Payment Instruction at any time until the processing of the Payment Instruction into the Receiver’s Eligible Transaction Account has begun. Our ability to stop a Payment Instruction or recover funds associated with an unauthorized Payment Instruction will depend on the manner in which the Payment Instruction was initiated, and whether the Payment Instruction to the Receiver’s Eligible Transaction Account has begun processing. Although we will make a reasonable effort to accommodate a stop payment request and to recover funds associated with an unauthorized Payment Instruction, we will have no liability for failing to do so. We may also require you to present your stop payment request or request to recover funds in writing within fourteen (14) days after contacting us at 1-877-377-8276, or emailing us at support@varomoney.com. If we charge you to stop the payment or recover funds, then the charge for each stop payment or fund recovery request will be the current charge as set out in our current fee schedule. Payments not claimed by a Receiver who has not enrolled in Zelle® will be automatically cancelled fourteen (14) days after the processing of the payment begins. We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, or denied payment to your Eligible Transaction Account or use other reasonable efforts to return such payment to you as permitted by law.

7. Service Providers. We are offering you the Zelle® and Other Payment Services through one or more Service Providers that we have engaged to render some or all of the Zelle® and Other Payment Services to you on our behalf. However, notwithstanding that we have engaged such a Service Provider to render some or all of the Zelle® and Other Payment Services to you, to the extent any liability attaches in connection with the Zelle® and Other Payment Services pursuant to Section 36 (Limitation of Liability), we are the sole party liable to you for any payments or transfers conducted using the Zelle® and Other Payment Services and we are solely responsible to you and any third party. You agree that we have the right under this Addendum to delegate to Service Providers all of the rights and performance obligations that we have under this Addendum, and that the Service Providers will be third party beneficiaries of this Addendum and will be entitled to all the rights and protections that this Addendum provides to us. Service Provider and certain other capitalized terms are defined in a “Definitions” Section at the end of this Addendum.

8. Amendments. We may amend this Addendum and any applicable fees and charges for the Zelle® and Other Payment Services at any time by posting a revised version on the Site. The revised version will be effective at the time it is posted unless a delayed effective date is expressly stated in the revision. Any use of the Zelle® and Other Payment Services after a notice of change or after the posting of a revised version of this Addendum on the Site will constitute your agreement to such changes and revised versions. Further, we may, from time to time, revise, update, upgrade or enhance the Zelle® and Other Payment Services and/or related applications or material, which may render all such prior versions obsolete. Consequently, we reserve the right to terminate this Addendum as to all such prior versions of the Zelle® and Other Payment Services, and/or related
applications and material, and limit access to only the Zelle® and Other Payment Services' more recent revisions, updates, upgrades or enhancements.

9. Our Relationship With You. We are an independent contractor for all purposes, except that we act as your agent with respect to the custody of your funds for the Zelle® and Other Payment Services. We do not have control of, or liability for, any products or services that are paid for with our Zelle® and Other Payment Services. We also do not guarantee the identity of any user of the Zelle® and Other Payment Services (including but not limited to recipients to whom you send payments).

10. Contacting Us Regarding the Zelle® and Other Payment Services. We may be reached at 1-877-377-8276, or by email at support@varomoney.com for questions and other purposes concerning the Zelle® and Other Payment Services. We will act on your telephone calls as described below in Section 26 (Errors, Questions, and Complaints), but otherwise, such telephone calls will not constitute legal notices under this Addendum.

11. Notices to You. You agree that we may provide notice to you by posting it on the Site, sending you an in-product message within the Zelle® and Other Payment Services, emailing it to an email address that you have provided us, or by sending it as a text message to any mobile phone number that you have provided us, including but not limited to the mobile phone number that is associated with your Bank Account or you have listed in your Zelle® and Other Payment Services setup. For example, users of the Zelle® and Other Payment Services may receive certain notices (such as notices of processed Payment Instructions, alerts for validation and notices of receipt of payments) as text messages on their mobile phones. All notices by any of these methods shall be deemed received by you no later than twenty-four (24) hours after they are sent or posted, except for notice by postal mail, which shall be deemed received by you no later than three (3) Business Days after it is mailed. We reserve the right to terminate your use of the Zelle® and Other Payment Services if you withdraw your consent to receive electronic communications.

12. Consent to Emails and Automated Text Messages. By participating as a User, you represent that you are the owner of the email address, mobile phone number, Zelle® tag, and/or other alias you enrolled, or that you have the delegated legal authority to act on behalf of the owner of such email address, mobile phone number, Zelle® tag and/or other alias to send or receive money as described in this Addendum. You further acknowledge and agree:

a. You are responsible for any fees or other charges that your wireless carrier may charge for any related data, text or other message services, including without limitation for short message service. Please check your mobile service agreement for details or applicable fees, as message and data rates may apply.

b. In the case of any messages that you may send through either us or Zelle® or that we may send or Zelle® may send on your behalf to an email address or mobile phone number, you represent that you have obtained the consent of the recipient of such emails or automated text messages to send such emails or text messages to the recipient. You understand and agree that any emails or text messages that we send or that Zelle® sends on your behalf may include your name.

c. Your wireless carrier is not liable for any delay or failure to deliver any message sent to or from us or Zelle®, including messages that you may send through us or through Zelle® or that we may send or Zelle® may send on your behalf.

d. To cancel text messaging for the Zelle® and Other Payment Services, send STOP to 767666. For help or information regarding text messaging for the Zelle® and Other Payment Services, send HELP to 767666 or contact our customer service at 1-877-377-8276. You expressly consent to receipt of a text message to confirm your “STOP” request.

e. Supported Carriers: AT&T, Sprint, T-Mobile, Verizon and others.

f. Your phone service provider is not the provider of the Zelle® and Other Payment Services. Users of the Zelle® Payment Service will receive text messages relating to their Payment Instructions and other notices from time to time if a mobile phone number is provided. Data and messaging charges from your telecommunications provider may apply, and you are responsible for any such
charges. In the event your enrolled mobile device is lost or stolen, you agree to update your enrollment information and make the appropriate changes to disable the use of such device. You understand that there are risks associated with using a mobile device, and that in the event of theft or loss, your confidential information could be compromised.

13. Service Fees and Additional Charges. You are responsible for paying all fees associated with your use of the Zelle® and Other Payment Services. Applicable fees will be disclosed in the user interface for, or elsewhere within, the Zelle® and Other Payment Services or Site. Additional fees may apply for small business Users enrolled in the Zelle® Small Business Service. YOU FURTHER ACKNOWLEDGE AND AGREE THAT ANY APPLICABLE FEES WILL BE CHARGED REGARDLESS OF WHETHER THE PAYMENT INSTRUCTION IS COMPLETED, UNLESS THE FAILURE TO COMPLETE THE INSTRUCTION IS SOLELY DUE TO OUR FAULT, except for those fees that are specifically use-based, such as Zelle® Payment Requests, if applicable. There may be a charge for additional transactions and other optional services. You agree to pay such charges and authorize us to deduct the calculated amount from your designated Eligible Transaction Account for these amounts and any additional charges that may be incurred by you. Any financial fees associated with your standard deposit accounts (or Other Eligible Transaction Accounts) will continue to apply. You are responsible for any and all telephone access fees and Internet service fees that may be assessed by your telephone and Internet service provider. Section 23 (Failed Or Returned Payment Instructions) applies if you do not pay our fees and charges for the Zelle® and Other Payment Services, including without limitation if we debit the Eligible Transaction Account for such fees, as described in this Section, and there are insufficient funds in the Eligible Transaction Account.

14. Refused Payments. We reserve the right to refuse to pay any Receiver. We will attempt to notify the Sender promptly if we decide to refuse to pay a Receiver designated by the Sender. This notification is not required if you attempt to make a prohibited payment under this Addendum.

15. Returned Payments. In using the Zelle® and Other Payment Services, you understand that Receivers may reject Payment Instructions or otherwise return payments only if the Receiver is not enrolled in Zelle®. We will use reasonable efforts to complete Payment Instructions initiated through the Zelle® Payment Service.

16. Receipts and Transaction History. You may view your transaction history by logging into the Site and looking at your transaction history. You agree to review your transactions by this method instead of receiving receipts by mail. You agree that you are independently responsible for complying with all applicable laws in all of your activities related to your use of the Zelle® and Other Payment Services, regardless of the purpose of the use, and for all communications you send through the Zelle® and Other Payment Services. We and our Service Providers have the right but not the obligation to monitor and remove communications content that we find in our sole discretion to be objectionable in any way. In addition, you are prohibited from using the Zelle® and Other Payment Services for communications or activities that: (a) violate any law, statute, ordinance or regulation; (b) promote hate, violence, racial intolerance, or the financial exploitation of a crime; (c) defame, abuse, harass or threaten others; (d) include any language or images that are bigoted, hateful, racially offensive, vulgar, obscene, indecent or discourteous; (e) infringe or violate any copyright, trademark, right of publicity or privacy or any other proprietary right under the laws of any jurisdiction; (f) impose an unreasonable or disproportionately large load on our infrastructure; (g) facilitate any viruses, trojan horses, worms or other computer programming routines that may damage, detrimentally interfere with, surreptitiously intercept or expropriate any system, data or information; (h) constitute use of any robot, spider, other automatic device, or manual process to monitor or copy the Zelle® and Other Payment Services or the portion of the Site through which the Zelle® and Other Payment Services are offered without our prior written permission; (i) constitute use of any device, software or routine

21. Payment Methods and Amounts. There are limits on the amount of money you can send or receive through our Zelle® and Other Payment Services. Your limits may be adjusted from time-to-time in our sole discretion. You may log in to the Site to view your individual transaction limits. 22. Taxes. It is your responsibility to determine what, if any, taxes apply to the transactions you make or receive, and it is your responsibility to collect, report and remit the correct tax to the appropriate tax authority. We are not responsible for determining whether taxes apply to your transaction, or for collecting, reporting or remitting any taxes arising from any transaction.

23. Failed or Returned Payment Instructions. In using the Zelle® and Other Payment Services, you are requesting that we or our Service Provider attempt to make payments for you from your Eligible Transaction Account. If the Payment Instruction cannot be completed for any reason associated with your Eligible Transaction Account (for example, there are insufficient funds in your Eligible Transaction Account, or the Payment Instruction would exceed the credit or overdraft protection limit of your Eligible Transaction Account, to cover the payment), the Payment Instruction may or may not be completed. In certain circumstances, our Service Provider may either advance funds drawn on their corporate account or via an electronic debit, and in such circumstances will attempt to debit the Eligible Transaction Account a second time to complete the Payment Instruction. In some instances, you will receive a return notice from us or our Service Provider. In each such case, you agree that:

a. You will reimburse us or our Service Provider immediately upon demand the amount of the Payment Instruction if the payment has been delivered but there are insufficient funds in, or insufficient overdraft credits associated with, your Eligible Transaction Account to allow the debit processing to be completed;

b. You may be assessed a late fee equal to one and a half percent (1.5%) of any unpaid amounts plus costs of collection by our Service Provider or their third-party contractor if the Payment Instruction cannot be debited because you have insufficient funds in your Eligible Transaction Account, or the transaction would exceed the credit or overdraft protection limit of your Eligible Transaction Account, to cover the payment, or if the funds cannot otherwise be collected from you. The aforesaid amounts will be charged in addition to any NSF charges that may be assessed by us, as set forth in your fee schedule from us (including as disclosed on the Site) or your account agreement with us. You hereby authorize us and our Service Provider to deduct all of these amounts from your designated Eligible Transaction Account, including by ACH debit; and

c. We and our Service Provider are authorized to report the facts concerning the return to any credit reporting agency.

24. Consent to Share Personal Information (Including Account Information). By accepting this Addendum, you consent to our disclosure of your personal information (including bank account information) as necessary to complete payment transactions.

25. Service Termination, Cancellation, or Suspension. If you wish to cancel the Zelle® and Other Payment Services, you may contact us as set forth in Section 10 (Contacting Us Regarding the Zelle® and Other Payment Services) above. Any payment(s) that have begun processing before the

We must allow you to report an error until sixty (60) days after the electronic transaction FIRST appears on your statement. You may request a written history of your transactions at any time by calling 1-877-377-8276, or by writing to: PO Box 108, Draper, UT 84020. You will need to provide us:

a. Your name, Bank Account number and/or 16-digit Card number;

b. Why you believe there is an error, and the dollar amount involved; and

c. Approximately when the error took place.

If you provide this information orally, we may require that you send your dispute or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we receive notice of your dispute and will correct any error promptly. For the avoidance of doubt we receive notice of disputes only during our Business Days. In the event you submit a dispute outside of our Business Days or after 5 PM MT on a business day, your dispute will be deemed received as of the next business day. If we need more time, however, we may take up to forty-five (45) days to investigate your dispute or question. If we decide to do this, we will credit the Bank Account within ten (10) business days for the amount you think is in error, so that you will have use of the money during the time it takes to complete the investigation. If we ask you to put your dispute or question in writing and you do not provide it within ten (10) business days, we may not credit the Bank Account.

For errors involving new Bank Account, POS transactions or foreign-initiated transactions, we may take up to ninety (90) days to investigate your dispute or question. For a new Bank Account, we may take up to twenty (20) business days to credit the Bank Account for the amount you think is in error.

We will tell you the results within three (3) business days after completing the investigation. If we do not decide in your favor, we will send you a written explanation. Copies of the documentation used in the investigation may be obtained by contacting us at the phone number or address shown at the beginning of this section. If you need more information about this program’s error-resolution procedures, call 1-877-377-8276.

Immediately following your discovery of an unauthorized Payment Instruction, you shall communicate with us in the manner set forth above. You acknowledge and agree that time is of the essence in such situations. The best way to minimize your loss is to call us immediately. You will have no liability for unauthorized transactions if you notify us within sixty (60) days after your monthly statement which shows the unauthorized transaction has been sent from your account. If you do not tell us within sixty (60) days after the statement was sent to you, you may lose any amount transferred without your authorization after the sixty (60) days if we can establish that we could have stopped someone from taking the money had you told us in time. If a good reason (such as a long
trip or a hospital stay) prevented you from telling us, we will extend the time periods specified above to a reasonable period.

When you give someone your password or other means to access your account through which you access the Zelle® and Other Payment Services, you are authorizing that person to use your service, and you are responsible for all transactions that person performs while using your service. All transactions that person performs, even those transactions you did not intend or want performed, are authorized transactions. Additionally, transactions that you or someone acting with you initiates with fraudulent intent are also authorized transactions.

These liability rules are established by Regulation E, which implements the federal Electronic Fund Transfer Act and does not apply to business accounts.
